SUBJECT: U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
RENEWAL PROJECT SPONSOR AGREEMENT [HO-02055]

BACKGROUND:

On November 16, 2010, DPSS submitted an application for Homeless Assistance funds to the U.S. Department of Housing and Urban Development (HUD). On January 10, 2011, HUD announced the approval of twenty (20) renewal grants for Riverside County's homeless projects, which included the consolidated renewal of the Housing Authority of the County of Riverside's Shelter Plus Care (S+C) East and West programs.

The County S+C program provides permanent supportive housing to homeless persons and families with severe disabilities. The program targets individuals who are living on the streets and suffer from severe mental health illness. Participants receive tenant based rental assistance in mainstream housing of their choosing and comprehensive mental health services through the County's Department of Mental Health.

Under the consolidated grant, the Housing Authority of the County of Riverside will provide at least forty-one (41) units of tenant-based rental assistance to persons throughout the county. Services provided include case management, life skills, mental health and transportation.

According to the latest Annual Progress Report submitted by the Housing Authority for the time period of June 17, 2009 through June 16, 2010, the West S+C Project assisted seven (7) individuals and four (4) families.

According to the latest Annual Progress Report submitted by the Housing Authority for the time period of September 4, 2009 through September 3, 2010 the East S+C Project assisted nineteen (19) individuals and eleven (11) families with twenty-three (23) children.

FINANCIAL DATA: No County General Funds are required. Funding is 100% Federal funds. The full Grant amount is \$523,248; however, it is estimated that the Housing Authority of the County of Riverside will expend \$479,644 in FY 2011-12, leaving \$43,604 to be expended in FY 2012-13.
