BACKGROUND:

CAP Riverside has operated the Cool Center Program since 2001 as part of its Summer Energy Crisis Response Plan. The Plan is a comprehensive response to the impact of extreme hot weather on low-income county residents, especially targeting vulnerable seniors, disabled individuals, and small children, with emphasis in the desert areas (eastern Riverside County) where temperatures often exceed 105 degrees from May through October.

The Rummond Senior Center is the only accessible facility in the Thermal area that can accommodate elderly residents and others who do not have transportation to travel to a cooling site located further away. To keep the facility open for extended hours, a paid employee must remain on site from 1:00 p.m. – 6:00 p.m.

On October 2, 2007 (#3.47), the Board approved the agreement between Regional Access Project Foundation and CAP Riverside in the amount of \$25,000 for the term July 1, 2007 through October 31, 2007. On July 29, 2008 (#3.106), the Board approved Amendment #1 to the agreement in the amount of \$7,000 for the term July 1, 2008 through June 30, 2009. On July 21, 2009 (#3.8), the Board approved Amendment #2 to the agreement in the amount of \$9,300 for the term June 15, 2009 through October 31, 2009. On June 29, 2010 (#3.19), the Board approved Amendment #3 to the agreement in the amount of \$9,300 for the term June 1, 2010 through October 31, 2010.

Amendment #4 provides \$9,300 to support staffing to keep the center open for extended hours, and to provide nutritional snacks and water for the term June 1, 2011 through October 15, 2011.

FINANCIAL IMPACT: No County General Funds will be required. \$9,300 was budgeted for FY 2011-2012 through the normal budget process.
