BACKGROUND:

Riverside County Ordinance No. 907, which establishes minimum standards for body art facilities and practitioners engaged in the business of body art in Riverside County, was introduced on May 17, 2011. As several important changes were requested to the body of the Ordinance at its introduction, the Department of Environmental Health is requesting a continuance of the original public hearing date to provide enough time to make such changes.

FISCAL

The approval of this ordinance will result in no cost to the County; implementation expenses will be paid through fees.
