(CID funds, 4th District, Cont.)

BACKGROUND:

The Riverside County Regional Medical Center Foundation's 2011 Festival of Trees event proceeds will be used to purchase desperately needed and often lifesaving equipment for the Medical Center, especially units that serve children.

Martha's Village & Kitchen will be able to provide safe shelter, nutritious and well balanced meals, career and education, and other basic needs services to over 7,000 homeless and impoverished persons in the Coachella Valley this year.

CSUSB Palm Desert Campus will be celebrating its 25th year of offering classes in the Coachella Valley. I would like to support the nursing program by contributing towards scholarships.

The General Patton Memorial Museum is in need of funding to pay for utility expenses.

I would like to use Fourth District Community Distribution Funds to support these worthy organizations.
