

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

197C

FROM: Economic Development Agency

SUBMITTAL DATE:
June 2, 2011

SUBJECT: Tradewinds Road Paving Project

RECOMMENDED MOTION: That the Board of Supervisors:

1. Make the following findings pursuant to California Health and Safety Code Section 33445:
 - a. That the proposed Tradewinds Road Paving Project is of primary benefit to the Romoland sub-area of the I-215 Redevelopment Project Area by helping to eliminate blight within the project area by paving existing unpaved roads to improve safety and enhance vehicular access;
 - b. That no other reasonable means of financing the project are available to the community due to insufficient availability of public funds because of the reduction in tax revenues as a result of the current economic downturn;

- c. The payment of funds for the cost of the project is consistent with the Implementation Plan for the project area and is necessary to effectuate the purpose of the project area's Redevelopment Plan, which calls for construction of infrastructure improvements, including roads; and;
2. Consent to the expenditure of redevelopment funds for the project.

BACKGROUND:

The Redevelopment Agency has identified a need to pave Palomar Road and Tradewinds Road in the community of Romoland in an effort to eliminate physical blighting conditions within the Romoland Redevelopment Project Area. Palomar Road was paved but the required rights-of-way for paving Tradewinds did not exist at the time.

The City of Menifee has subsequently stated that the rights-of-way now in possession are sufficient to proceed with paving Tradewinds Road. The city has agreed to perform all necessary actions to construct the road including all regulatory and environmental compliance for a cost not-to-exceed \$600,000 for which the Redevelopment Agency is agreeing to pay using Redevelopment Funds. The improvements will include grading and paving of the existing Tradewinds Road between Watson and Mapes Roads to Riverside County Standard No. 136, a residential collector Road.

Staff recommends the Board approve the attached agreement and make the necessary findings so the project may proceed.
