**SUBJECT: REQUEST FOR SOLE SOURCE PROCUREMENT AND
PROFESSIONAL SERVICE CONTRACT WITH PATH OF LIFE
MINISTRIES**

BACKGROUND:

DPSS developed and maintains an effective county-wide Continuum of Care for homeless persons in Riverside County by organizing and delivering supportive social services, including housing options, which meet the specific needs of homeless individuals and families, through contracts with local homeless shelter providers.

On June 30, 2011, three (3) contracts between DPSS and emergency shelter providers termed with Path of Life Ministries (POLM), Coachella Valley Rescue Mission (CVRM) and Martha's Village & Kitchen, Inc. (MVK).

Our experience has been that these are the only agencies that are prepared and interested in providing these services. As a result, prior to releasing a Request for Proposal (RFP) for emergency shelter services in the eastern and western regions of the County, DPSS conducted research as to potential shelter providers within the Continuum of Care to assess whether there would be any other agencies capable and interested in bidding for these services. We then issued a Request for Information (RFI) on County Purchasing's website to solicit feedback from the agencies about their interest in providing these services.

With regard to the western region, POLM was the only respondent to the RFI and by our assessment is the provider in the western region that has the capacity to provide food, shelter, case management and supportive services to meet the current needs of the County. For this reason, the Director of DPSS requests that the Board approve the Request for Sole Source Procurement, and approve and execute the attached contracts between DPSS and Path of Life Ministries.

POLM is a faith-based community non-profit organization that under this contract will operate an emergency shelter to provide up to fifty (50) beds to men, women, and children who are homeless. On July 17, 2007, Agenda Item 3.46, the Board authorized DPSS to contract with POLM to provide short-term, transitional shelter services, for the period of July 1, 2007 through June 30, 2008, with two (2) one-year renewal options, in the amount of \$400,000.

PRICE REASONABLENESS:

Purchasing released a Request for Information DPARC-237 on June 8, 2011, mailing solicitations to 16 companies and advertising on the County's Internet. One response was received from Path of Life Ministries, (POLM).

POLM is currently providing services at the bed rate of \$21.91 and they are willing to continue providing homeless shelter services at \$21.91 per bed for fifty (50) beds whether occupied or not per day for a cost not to exceed \$400,000 annually .

BACKGROUND (continued):

Detailed in section 3 of the report are all-inclusive bed night rates that were developed using locally available information as well as interviews with DPSS, the Riverside County Department of Mental Health, Riverside County Economic Development Agency, and legislative team members for all five (5) districts, among others. A break down of all-inclusive bed night rates, based on homeless shelter capacity is below.

Number of Emergency Shelter Beds	20 beds/cots	40 bed/cots	80 beds/cots
Total Program Expenses	\$284,999	\$420,843	\$826,764
Cost per Bed/Unit/Daily	\$39.04	\$28.82	\$28.31

Based on the price comparisons referenced above, DPSS is confident that the pricing is reasonable and at fair market value for the services that would be provided by Path of Life Ministries.

1. Professional Services Contract (HO-01996) with Path of Life Ministries

SL:cg

Date: December 21, 2010
 From: Susan Loew, Director of the Department of Public Social Services
 To: Board of Supervisors
 Via: Purchasing Agent
 Subject: Request for a Sole Source Procurement

The below information is provided in support of the Department of Public Social Services requesting approval for a sole source. Outside of a duly declared emergency, the time to develop a statement of work or specifications is not in itself justification for a sole source.

Supply/Service being requested:

DPSS is requesting year-around emergency shelter services (shelter, food, and case management) in supervisorial districts 1 from a well-established shelter provider, with fifty (50) beds for men, women, and children.

Supplier being requested:

The emergency shelter provider being requested is:

Path of Life Ministries (POLM) is a faith-based community non-profit organization, located in the City of Riverside, that operates an emergency shelter to provide up to fifty (50) beds to families who are homeless.

Alternative suppliers that can or might be able to provide supply/service:

*The emergency shelter providers, listed in the tables below with corresponding numbers, are not viable alternatives for the following reasons:

1. Does not serve single men, single women, and families
2. Does not offer at least twenty-five (25) emergency shelter beds

District 1	City	Target Population	# of Beds	*Reason(s) Not Viable
Alternatives to Domestic Violence	Riverside	Women and children	15	1,2
Operation SafeHouse	Riverside	Youth (ages 18-21)	20	1,2

Extent of market search conducted:

In preparing to release a Request for Proposal (RFP) for emergency shelter services in the eastern and western regions of the County, DPSS conducted research as to potential shelter providers with the Continuum of Care, utilizing the following:

1. Riverside County Consolidated Plan (1999-2004)
2. Previous RFP responses (FY 2007-08)
3. City funding allocations for emergency shelters
4. Riverside County Homeless Count and Survey (2007 and 2009)
5. Riverside County 10-Year Plan to End Homelessness (2007-2017)
6. Coachella Valley's Association of Governments' (CVAG) Strategic Plan to End Homelessness (2007-2012)
7. Emergency Food and Shelter Program
8. California Care Network Database (www.calcarenet.ca.gov)
9. Riverside County Housing Inventory (2010)
10. 2-1-1 Riverside County Community Services Directory

Unique features of the supply/service being requested from this supplier, which no alternative supplier can provide:

For this project, the unique features to be provided to DPSS are:

Path of Life Ministries

1. Houses 64 men and women on any given day;
2. Provides assistance with obtaining housing, birth certificates, California identification cards, bus passes;
3. Offers job readiness and computer familiarization workshops, resource agency presentations, and counseling;
4. Provides meals, showers, hygiene supplies, alcoholic anonymous and narcotics anonymous support groups, life skills groups, and anger management workshops;
5. Provides access to the Mobile Medical and Mobile Dental programs.

Reasons why the Department of Public Social Services requires these unique features and what benefit will accrue to the county:

1. In October 16 2007, Agenda Item 3.40, the Riverside County Board of Supervisors adopted the Riverside County 10-Year Strategy to End Homelessness to reflect a Continuum of Care that works to meet the needs of all episodically, transitionally, and chronically homeless persons and to break the cycle of homelessness;
2. Emergency shelters provide an immediate and safe alternative to sleeping on the streets, especially for homeless families with children;
3. Emergency shelters are a gateway for a homeless person to reach self-sufficiency, as the goal of emergency shelters is to transition homeless individuals into transitional housing (up to 24 months) and eventually into more permanent housing;
4. According to the 2009 Riverside County Homeless Count, 618 (or 18%) of the County's homeless population (3,366) were found in emergency shelters;
5. According to the 2009 Riverside County Homeless Survey, the three (3) most commonly used services by homeless persons living in Riverside County are: meals, bus passes, and emergency shelter.

Price Reasonableness:

Focused on the needs of the County, POLM, are willing to continue providing homeless shelter services for a cost not to exceed \$400,000.

Price Comparison

In a report titled, "Destination Home: A Strategic Guide to the Development of Homeless Housing in Riverside County," Public Consulting Group, Inc. conducted a study of Riverside County's housing and supportive services for the homeless in FY 2006-07.

Total Program Expenses	\$284,999	\$420,843	\$826,764
Cost per Bed/Unit/Daily	\$39.04	\$28.82	\$28.31

POLM is the only organization with the capacity to provide fifty (50) beds in the greater Riverside area for \$400,000.

Based on the price comparisons referenced above, DPSS is confident that the pricing is reasonable and at fair market value for the services that would be provided by Path of Life Ministries.

Does moving forward on this product or service further obligate the county to future similar contractual arrangements?

No, moving forward with this service does not further obligate the County to future similar contractual arrangements.

Period of Performance:

Provide a defined period of performance. Please note multi-year terms require Board approval, unless renewable in one year increments and the Purchasing Agent approves the terms.

The period of performance will be from July 1, 2011 through June 30, 2012, with two (2) one-year renewal options.

- d. It is understood and agreed to by the parties hereto that the Contractor's insurance shall be construed as primary insurance, and the County's insurance and/or deductibles and/or self-insured retentions, or self-insured programs shall not be construed as contributory.
- e. If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services or performance of work; or, there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.), or the term of this Agreement, including any extensions thereof, exceeds five (5) years, the County reserves the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverages currently required herein, if, in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the Contractor has become inadequate.
