BACKGROUND:

Food service for the Inpatient Treatment Facility, Arlington Campus has been provided by the County of Riverside Probation Department since May 2000. In September 2010, RCRMC was notified that there would be a change in the method of preparation of the meals from a quick/chill to cook serve. This change would increase the cost of meals and require a replacement of the current delivery equipment with items suitable for the cook serve preparation such as insulated carts, trays, plates, lids and holding cabinet and heat lamps.

On November 1, 2010, County of Riverside Purchasing and Fleet Services, on behalf of Riverside County Regional Medical Center, released Request for Proposal # MCARC150, Food Preparation and Delivery Services for Riverside County Regional Medical Center Inpatient Treatment Facility, Arlington Campus. The bid closed on December 15, 2010, at 1:30PM with two bidders responding. The proposals were presented to and evaluated by RCRMC management knowledgeable of the Arlington Campus patient meal needs. After a review and evaluation of the proposals, the evaluation team toured the bidders' facilities for an on-site review of the cleanliness, meal storage and preparation practices, and overall size of operations to meet the increased workload if awarded the contract. Based on price and value to the County of Riverside, it is recommended that Provider Contract Food Service be selected to provide food preparation and delivery services for Riverside County Regional Medical Center, Inpatient Treatment Facility, Arlington Campus.

PRICE REASONABLENESS:

Purchasing requested and was provided "Best and Final" bids from the two bidders. The bidder's provided "Best and Final" bids: Provider Contract Food Service, \$18.96 and Family Service Association, \$19.99 for three meals per day including snacks.

Based on historical data and proposed meal rates from County of Riverside Probation Department of \$22.56 for three meals per day not including snacks, there will be an annual estimated cost savings of \$131,400. All figures are based on 3 meals plus snacks for 100 patients per day.

FINANCIAL IMPACT:

Payment of costs. With respect to any breach of unsecured PHI caused solely by the Contractor's failure to comply with one or more of its obligations under this Addendum and/or the provisions of HITECH, HIPAA, the Privacy Rule or the Security Rule, Contractor agrees to pay any and all costs associated with providing all legally required notifications to individuals, media outlets, and the Secretary. This provision shall not be construed to limit or diminish Contractor's obligations to indemnify, defend, and hold harmless County under Section 9 of this Addendum.

Contractor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.

With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.

In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.

In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

X. **Term.** This Addendum shall commence upon the Effective Date and shall terminate when all PHI and/or ePHI provided by County to Contractor, or created or received by Contractor on behalf of County, is destroyed or

Either party, upon written notice to the other party describing the breach, may take any of the following actions:

Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
