BACKGROUND:

Under California Law, the Treasurer-Tax Collector is required to make this annual publication. The Treasurer-Tax Collector's 2011-2012 Budget allows that sufficient funds are available to pay the publication costs.

As prescribed by Section 3371 through 3374 of the California Revenue and Taxation Code, "Annually, on or before September 8, the tax collector shall publish the affidavit that the real property on which the taxes, assessments, penalties and costs had not been fully paid are in default, together with a list of all that real property."

As in years past, the County will "divide and distribute the items to be published" as set forth in Sections 3381 through 3385 of said code, because it provides the most direct means of notifying the property owners affected. The tax rate area of the property will determine in which local newspaper the legal notice will appear.

In compliance with the law, the Treasurer-Tax Collector determined the following newspapers were "...the most likely to afford adequate notice to owners of the property": The Press Enterprise Corona-Norco Edition, The Desert Sun, The Press Enterprise Hemet News, The Press Enterprise South West Edition, Palo Verde Valley Times, The Press Enterprise, The Record Gazette in Banning & Beaumont, Riverside County Record, The Press Enterprise Moreno Valley Edition and the Yucaipa/Calimesa News Mirror.

Both copies of each agreement have been signed by an authorized representative of the previously mentioned newspapers and require the publication be at the existing reduced rates for legal advertising and rate schedule as set for the County of Riverside (see Exhibit A). The text and format of the agreement have been approved by County Counsel.

This notice will be published on August 17, 2011 and August 24, 2011 in those newspapers having only a Wednesday publication. Other newspapers will publish on Thursday, August 18, 2011 and August 25, 2011, or on Friday, August 19, 2011 and August 26, 2011.

SECTION 3371-3375

3371. (a) Annually, on or before September 8, the tax collector shall publish the affidavit that the real property on which the taxes, assessments, penalties, and costs had not been fully paid are in default, together with a list of all that real property. However, in any county that mails delinquent notices to the assessees of record before June 30, the tax collector shall publish the affidavit and list of all that real property on or before September 8 of the year following the date of default.

(b) If the tax collector sends reminder notices prior to the close of the fiscal year and annually sends a redemption notice of prior year due taxes, the delinquent notice described in subdivision (a) may be published only for those properties that have been tax-delinquent for three or more years and for which the latest reminder notice or redemption notice was returned to the tax collector as undeliverable.

3372. The notice shall show:

(a) The affidavit of tax default.

(b) The fact that the real property may be redeemed by the payment of the amount of defaulted taxes together with those additional penalties and fees as prescribed by law, or that the real property may be redeemed under an installment plan of redemption.

(c) The official who will furnish all information concerning redemption.

(d) The following information relating to each assessment of tax-defaulted property:

(1) The name of the assessee, and where there is more than one valuation the name of the assessee need be listed only once. For the purposes of this section, the name of the assessee may be the name of the assessee as shown on the current roll.

(2) The description of the property.

(3) The total amount necessary to redeem the property as of the date specified in the publication.

This information required to be published is the "published delinquent list." If any tax-defaulted property is redeemed, the information relating to the property may be omitted from any publication.

3373. Except as provided in Article 1.8 (commencing with Section 3381), the publication shall be made pursuant to Section 6063 of the Government Code in the county. If no newspaper of general circulation is published in the county, the publication shall be made by posting in three public places in the county.

The cost of publication shall be at no more than the rate fixed by the board of supervisors for other county advertising.

3374. Immediately after the publication is completed, the tax

collector shall file with the county recorder a copy of the publication and an attached affidavit. This affidavit is prima facie evidence of the facts stated. The affidavit shall show:

(a) That it is affixed to a true copy of the publication.

(b) The manner of publication.

(c) If the publication was in a newspaper, its name and place of publication and the date of each appearance.

(d) If not published in a newspaper, the places of posting.

The county recorder may destroy such publications and affidavits that have been on file in the recorder's office for more than seven years.

3375. The tax collector shall notify the Controller, in such manner as the Controller shall direct, of all property subject to a "Notice of Lien for Postponed Property Taxes" recorded pursuant to Section 16182 of the Government **Code**, which:

(a) Becomes tax defaulted subsequent to the date of entry on the secured roll of the information required by paragraph (1) of subdivision (a) of Section 2514; or

(b) Becomes subject to those collection procedures that are available for collection of delinquent taxes or assessments on the unsecured roll.

REVENUE AND TAXATION CODE
SECTION 3381-3385

3381. In each county where the tax collector or, if the county is a chartered county, the board of supervisors determines that the public interest, convenience and necessity require the local publication of the delinquent list required by Section 3371, or the published notice of power and intent to sell required by Section 3361, in order to afford adequate notice, all items required to be published shall be published as provided in this article.

After the determination, the tax collector or, if the county is a chartered county, the board of supervisors shall divide and distribute the items to be published and cause the same to be published either within (a) the municipal corporations, (b) the elementary, high school, or junior college districts, (c) the supervisorial districts, (d) judicial districts, (e) tax districts, areas included in map books, or tax code areas, or (f) by any annexation or annexations of same, or any combination of same, or any combination of those districts, annexations, areas included in map books, and code areas, within the county as they shall determine most likely to afford adequate notice to owners of the property.

Except as provided in this article, the publication shall be in the same manner as provided in Article 1.7 (commencing with Section 3371).

The publication provided for in this article shall be made once a week for two successive weeks in a newspaper or newspapers of general circulation. The publication shall be made in a newspaper published not less frequently than once a week.

3382. Annually, the board of supervisors shall let the contracts for publication of the published delinquent list, or the published notice of power and intent to sell, and shall determine the rate to be paid for those publications or any portions thereof.

The publication rate shall be based on a common denominator of measurement for all newspapers and may be graduated according to circulation.

3383. The contracts for the publications shall include the publication of the proper portion of the published list and all other items relating to that portion of the published list required by law to be published.

3384. The board of supervisors may provide by order for mailing to each assessee on the published delinquent list a copy of the items delinquent assessed to him and, if so ordered, the copy shall be mailed to the assessee at his address as shown on the roll. This section gives no one any right to receive the copy of items delinquent, and neither the county nor any office or employee is liable for failure of the assessee to receive the copy or for any mistake in connection with the mailing.

3385. In ordering mailing of a copy of items delinquent, the board of supervisors may do either of the following:

(a) Authorize the tax collector to perform the mailing.

(b) Include, or authorize the inclusion of the mailing as an item in the contracts for publication of the published delinquent list.
