BACKGROUND: (Continued)

It is recommended that the City pay an amount equal to the amount County residents are taxed for library services, which is a 1.15% ad valorem property tax. The City's current total property tax amount is \$2,134,852. Accordingly, cost to the City under the terms of this MOU shall be \$24,551 for fiscal year 2011-2012. In addition, the City agrees to assign its Public Library Fund (PLF) revenue in its entirety to the County throughout the term of this MOU. Under the terms of this MOU the County will provide public library service to City residents equal to public library service provided to County residents. City residents shall be eligible to obtain a Riverside County Library System (RCLS) library card at any County library and become eligible to enjoy all services associated with said card. Annual tax increment factors shall be adjusted accordingly to reflect a reduction to the City and an increase to the County Library Fund.

TERM: Shall commence on August 16, 2011 and remain in effect until June 30, 2012.

RATE: \$24,551 per year.

The attached MOU for public library services has been reviewed and approved by the City of Indian Wells and by County Counsel as to legal form.
