BACKGROUND:

The Palm Drive/Gene Autry Trail Interchange is a gateway into the cities of Palm Springs, Desert Hot Springs and Cathedral City and the unincorporated County. Significant growth in the area has increased traffic beyond the capacity of the interchanges and is now failing during the peak hours of operation. The need for improving this interchange has been recognized by Riverside County Transportation Department, the City of Palm Springs, the City of Desert Hot Springs, the City of Cathedral City, CVAG, and Caltrans. The improvements proposed to the interchange will increase capacity and improve the operation to a satisfactory condition for current and future traffic volumes. The interchange is currently under construction and scheduled for completion in spring 2012.

On December 16, 2008, the Board of Supervisors (Board) approved item 3.29 approving the Acquisition of the fee simple and permanent easement for utility purposes for portions of Assessor's Parcel Numbers 660-190-013, 017, 018, 019, 020 and 021. It was later determined that the permanent easements of portions of Assessor's Parcel Numbers 660-190-013 and 660-190-021 are no longer necessary for the County and would be transferred to Southern California Edison (SCE) by quitclaim deed to allow for relocation of conflicting aerial electrical poles and conductors. This would fulfill the County's obligation to replace the existing Southern California Edison easement in kind. Subsequently, the Board approved Item 3.40 on September 29, 2009 (The Notice of Intention to Convey Easement Interests in Real Property) and Item 3.19 on October 6, 2009 (Authorization to Convey Easements Interests in Real Property). The Quitclaim Deed from the County to Southern California Edison recorded on October 9, 2009.

The portions of Assessor's Parcel Numbers 660-190-019, 660-190-018, and 660-190-020 owned by the County in fee simple interest are, in addition, no longer necessary for the County and would be transferred to the City of Palm Springs by Quitclaim Deed as the right-of-way is in the City's jurisdiction.

Pursuant to Government Code Section 25365, the County may transfer interests in real property or interest therein, belonging to the County to another public agency, upon the terms and conditions as are agreed upon and without complying with any other provisions of the Government Code, if the property or interest therein to be conveyed is not required for County use. The County intends to quitclaim easement fee simple interests in real property located in Palm Springs, County of Riverside, a 8,152 square meter portion of Assessor's Parcel Number 660-190-019, (Parcel 0740-001A), a 2,997.6 square meter portion of Assessor's Parcel Number 660-190-018, (Parcel 0740-001B) and a 92.1 square meter portion of Assessor's Parcel Number 660-190-020, (Parcel 0740-001C) recorded February 9, 2009 as Instrument Number 2009-0060200, as more particularly described in Exhibits "A," "B," and "C" attached hereto, by Quitclaim Deed to the City of Palm Springs.

The resolution has been reviewed and approved by County Counsel as to legal form.

RESOLUTION NO. 2011-207

**NOTICE OF INTENTION TO CONVEY FEE SIMPLE INTERESTS
IN REAL PROPERTY TO CITY OF PALM SPRINGS**

WHEREAS, the County of Riverside (County) acquired various interests in portions of Assessor Parcel Number(s) 660-190-019, 660-190-018 and 660-190-020 to improve the Palm Drive/I-10 Interchange; and

WHEREAS, this conveyance will fulfill the County's obligation to quitclaim their interests located within the City of Palm Spring's right-of-way; now, therefore,

BE IT RESOLVED AND DETERMINED that the Board of Supervisors of the County of Riverside, in regular session assembled on Sept. 13, 2011, hereby directs the Clerk of the Board of Supervisors to give notice pursuant to Government Code Section 6061, of the following:

NOTICE IS HEREBY GIVEN by the Board of Supervisors of the County of Riverside intends to convey to City of Palm Springs, the following described real property: Fee Simple interests located at Palm Drive and I-10 Interstate in Palm Springs, County of Riverside, California, identified as a portion of Assessor's Parcel Number 660-190-019, Parcel 0740-001A, Assessor's Parcel Number 660-190-018, Parcel 0740-001B and Assessor's Parcel Number 660-190-020, Parcel 0740-001C recorded February 9, 2009 as Instrument Number 2009-0060200 consisting of 11,241.70 square meters of land. The terms and conditions of the proposed conveyance are as follows: To fulfill County's obligations, County will convey the described fee simple interests to the City of Palm Springs that were located within the City's right-of-way and affected by the Palm Drive/I-10 Interchange Project.

The Board of Supervisors intends to meet to conclude the proposed transaction on or after September 20, 2011, at 9:00 am at the meeting room of the Board of
