BACKGROUND:

The Economic Development Agency (EDA) is proposing an increase to certain parking fees be adopted for FY 2011/2012 to recover costs associated with operating parking facilities, including maintenance. Some costs associated with maintenance include gate and elevator repairs, signage and striping of parking stalls. The proposed rate submittal is in accordance with Board Policy B-4, which requires submittal of cost recovery rates to the Board of Supervisors on an annual basis. EDA will develop an alternative rate methodology for FY 2012/13 that will include recommendations made by the Auditor-Controller and with the continued assistance of the Executive Office.

Ordinance No. 626.8 amends Ordinance No. 626 to change the parking agency from the Director of the Department of Facilities Management to the Assistant County Executive Officer of the Economic Development Agency; increase parking fines from \$40.00 to \$53.00; add other additional penalties and assessments related to Disabled Persons parking; eliminate vendor and temporary parking permits; and incorporates other minor changes. Monthly parking rates remain unchanged, except for the addition of motorcycle parking at a rate of \$7.00 per month. Several other miscellaneous parking rates are also increased. The new rates would go into effect 60 days after its adoption.

The attached charts highlight changes to monthly and non-monthly parking.
