 John J. Benoit, Fourth District Supervisor

3.29

BACKGROUND:

The EDA State of the County event will highlight accomplishments from each Supervisorial District and give attendees and insight into what lies ahead for the county in the future.

The College Voc-Tec Night 2011 is taking place on Oct. 12th at the Riverside County National Date Festival Fairgrounds. The event is hosted by the following high schools; Desert Mirage, Coachella Valley, Amistad, La Familia and West Shores. Over 3000 students and their parents are expected to attend and have the opportunity to meet with representatives for colleges, technical and vocational institutions, military branches and some employers. I would like to support this effort by contributing the funding needed to cover the cost of the facility.

The Riverside County Regional Medical Center Foundation's 2011 Festival of Trees event will raise funds to purchase desperately needed and often life saving equipment for the Medical Center.

Catholic Charities will be hosting their annual Evening of Hope event on November 5th. The event raises funds to support the social service programs that assist families deal with crisis.

The College of the Desert Foundation will be presenting a series of events that will benefit programs at College of the Desert. I would like to support the December 16th fundraiser benefitting the College of the Desert Nursing Program with a \$2500 contribution. In addition, I would like to contribute \$2500 to the Veterans Student Affairs Program which will assist veterans, reservists and dependents; to help them with the services they need to receive VA benefits; and to enroll and become a successful student at College of the Desert.

I would like to use Fourth District Community Improvement Designation funds to assist to these worthy non-profit organizations in meeting the needs of our communities.
