Page 2 of 2

3. Amend the Transportation Improvement Program (TIP) by approval of the proposed budget for the projects as shown on Attachment A.

BACKGROUND: By Minute Order dated August 16, 2011 (agenda item 3.88) the Board authorized the Clerk of the Board to advertise for the Reconstruction of Gavilan Road from Multiview Drive to Hidalgo Drive, approximately 1.3 miles, and the construction of guardrail at three separate locations; 1) Gavilan Road south of Elderidge Drive, 2) Lake Mathews Drive, Capello Drive to Malta Place on northerly side, and 3) Santa Rosa Mine Road, at the transition to Gavilan Road, south of Lake Mathews Drive.

Bids for the project were opened in the office of the Director of Transportation at 2:00 PM, Wednesday, September 07, 2011. Five responsive bids were received. The lowest responsive bid was submitted by All American Asphalt in the amount of \$1,202,897. The bid is \$132,103 (9.9%) less than the Engineer's Estimate. The Transportation Improvement Program provides for the construction of the subject improvements. The projects are expected to be completed within the existing budget as shown on attachment A.

The reconstruction of Gavilan Road will consist of pulverizing the existing pavement, and placement of 0.45 feet of new asphalt concrete. From Chico Drive to Pinon Drive, sub drains and permeable base will be added to reduce pavement damage from the high water table. Concrete curb and gutter will be constructed on the west side of Gavilan Road from Hidalgo Drive to Pinon Drive and will include concrete cross-gutters at Hidalgo Drive, Chico Drive, Esperanza Drive, Bonita Drive, Aragon Drive, Alameda Drive, Palomas Drive, Cajon Drive and Pinon Drive. Short segments of concrete curb and gutter will be constructed on each of the above streets to matchup to the existing curb and gutters. Work includes reconstruction of existing driveways, replacing existing AC berm, grading shoulders, reconstruct overside drains, centerline indentions (rumble strip) and new striping.

The guardrail segments on Gavilan Road, Santa Rosa Mine Road and Lake Mathews Drive and centerline rumble strip are being constructed to improve safety for motorists.

The bid documents include the following schedules of work:

Schedule A: Gavilan Road (Resurfacing) Project.

Schedule B: Gavilan Road, Santa Rosa Mine Road, and Lake Mathews Drive Guard Rail Project.

The Contractor has executed the contract and has provided performance and payment bonds.

The contractor is qualified.

C. Maintenance of Underlying Insurance

The limits of insurance of the Underlying Insurance shown in Item 4 of the Declarations shall be maintained in full effect during the period of this policy except for any reduction or exhaustion of aggregate limits contained therein solely by the payment for damages for accidents or occurrences, whichever is applicable, that take place during each annual period of this policy and that are insured by this policy.

If you fail to comply with this requirement, we will only be liable to the same extent that we would had you fully complied with this requirement.

II. Definitions
