of the COUNTY when developer(s) filed their tract maps and the Conditions of Approval were approved by the COUNTY. The required improvements have not yet been built, which has created a source of funds with which to construct such projects when the project build-out is feasible. The developer's property and the required improvements are now within the newly incorporated boundaries of the City of Eastvale. The attached Funding Transmittal Agreement establishes the terms under which the COUNTY will transmit the cash-in-lieu deposits to the CITY, subject to the condition that the deposits be used for the construction of the required improvement(s) as identified in the Conditions of Approval and Attachment A of the agreement. The total amount of deposits to be transmitted to the City of Eastvale is \$831,616 as specified in Attachment A of the agreement.

**FUNDING TRANSMITTAL AGREEMENT
BY AND BETWEEN THE COUNTY OF RIVERSIDE
ON BEHALF OF THE TRANSPORTATION DEPARTMENT
AND
CITY OF EASTVALE**

THIS AGREEMENT is made and entered into this ____ day of _____, 2011, by and between the County of Riverside, a political subdivision of the State of California (County), on behalf of its Transportation Department, and the City of Eastvale, a newly incorporated City within the boundaries of the County of Riverside, and is made with reference to the following background facts and circumstances:

WHEREAS, the County of Riverside, as a Condition of Approval for various proposed tract developments, required developers construct certain improvements, or submit a cash-in-lieu deposit with County if current construction of the required improvement was not feasible; and,

WHEREAS, the affected property and proposed construction were within the unincorporated area of County when developer(s) filed their tract maps and the Conditions of Approval were approved by County; and,

WHEREAS, the required improvements have not yet been built which has created a source of funds with which to construct such projects when the project build-out is feasible; and,

WHEREAS, the developer's property and the required improvement is now within the newly incorporated boundaries of City; and,

WHEREAS, County desires to transmit the cash-in-lieu deposit(s) to City, subject to the condition that the deposits be used for the construction of the required improvement(s).

NOW, THEREFORE, in consideration of the mutual covenants and subject to the conditions contained herein, the parties do agree as follows:

1. The above referenced Recitals are incorporated herein.
2. The understanding embodied in this Agreement is for the transmittal of funds by County to City to be used solely toward the construction of those improvement project(s) that have been identified in the Conditions of Approval applicable to developer projects as set forth in Attachment A hereto, and incorporated herein by this reference.
3. City incorporated and began operation as a City according to all applicable rules, regulations and laws of the State of California as of October 1, 2010.
4. It is the Agreement between County and City that the total funds to be transmitted to City is \$831,615.97, as allocated to each project as set forth in Attachment A.
5. Upon transmittal of the funds noted herein, City shall be solely responsible for retention/handling of such funds until the listed project(s) are constructed.

6. The parties agree that should circumstances arise which result in additional work or costs for the project(s) not covered by the funds transmitted herewith, City shall be solely responsible to deal with the project costs.

7. City shall maintain an accounting of all funds received from County pursuant to this Agreement in accordance with generally accepted accounting principles. City agrees to keep all project records for a period of not less than three years from the date a notice of completion is filed by the City on such projects; or, if the projects are not ones as to which a notice of completion would normally be recorded, for three years from the date of completion. City shall permit County or any other appropriate government agency, at any reasonable time, upon reasonable notice, to inspect any records maintained in connection with the funds and project(s). County shall have no duty to make any such inspection and shall not incur any liability or obligation by reason of making or not making any such inspection.

8. No waiver of any event of default or breach by one party hereunder shall be implied from any omission by the other party to take action on account of such default, and no express waiver shall affect any default other than the default specified in the waiver and the waiver shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by one party to or of any act by the other party shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent or similar act.

9. Neither County nor any officer or employee thereof shall be responsible for any damage or liability occurring by reason of anything done or omitted to be done by City under or in connection with any work, authority or jurisdiction delegated to City under this Agreement. It is further agreed that pursuant to Government Code Section 895.4, City shall fully indemnify and hold County harmless from any liability imposed for injury (as defined by Government Code Section 810.8) occurring by reason of anything done or omitted to be done by CITY under or in connection with any work, authority or jurisdiction delegated to City under this Agreement.

10. Any dispute concerning a question of fact arising under this Agreement that is not disposed of by voluntary negotiations between the parties shall first be decided by the County Transportation Director or designee, who may consider any written or verbal evidence submitted by City. This decision shall be issued in writing. However, no action in accordance with this Section shall in any way limit either party's rights and remedies through actions in a court of law with appropriate jurisdiction. Neither the pendency of dispute nor its consideration by County will excuse City from performance in accordance with the terms of this Agreement.

11. City warrants that all aspects of the handling of the funds hereunder and the project(s) associated therewith shall be undertaken in compliance with all applicable local, state and federal rules, regulations and laws.

12. This Agreement may not be assigned without the express written consent of County first being obtained.
