BACKGROUND:

The YMCA provides childcare and youth programs, serving 3200 children each day at 41 sites throughout the Coachella Valley.

Jordan Outreach Ministries operates the Kids Klub after school program for children ages 5 through 18. The program offers a variety of enriching activities, including: Study Klub, sports, computer center activities and learning, arts and crafts, and other age appropriate activities. It targets and serves children from Indio, Coachella, Thermal, Mecca and the outlying unincorporated areas of the county.

The Blythe Health and Safety Day event in Blythe is put on by the Joan of Arc Catholic Church in Blythe. The community event includes public, non-profit and community groups promoting good physical and mental health.

The College of the Desert Foundation will be having a "COD Black-tie chili Cook-Off," on December 4th to raise funds to scholarships for students.

I would like to use Fourth District Community Improvement Funds to support these organizations.
