**RECOMMENDED MOTION:** (Continued)

4. Approve the Lease Agreement between the Redevelopment Agency for the County of Riverside (Agency) and the Boys & Girls Club of the Coachella Valley (BGCCV) and authorize the Chairman to execute said Lease Agreement;
5. Find that the Project is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15301 Existing Facilities, Class 1 and General Rule Exemption Section 15061;
6. Direct the Clerk of the Board to file the Notice of Exemption with the County Clerk; and,
7. Authorize the Executive Director of the Redevelopment Agency or designee to take all necessary steps to administer the Lease including signing subsequent annual renewal agreements and related documents to complete this transaction.

**BACKGROUND:**

The Agency constructed and owns the Mecca Boys and Girls Club building consisting of approximately 30,636 square feet located at 91-391 Avenue 66, Mecca, Riverside County, identified by Assessor's Parcel Number 727-272-031, as depicted on Exhibit "A" attached hereto and incorporated herein by reference.

The BGCCV desires to lease the facility from RDA to operate the club by bringing educational services, recreation and training programs for the youth of the community.

The term of the lease shall be for a twenty five year period commencing upon the date of execution and expiring October 31, 2036. The term of the lease may be extended by mutual agreement of the Executive Director of the Agency and the BGCCV and shall be incorporated by a written amendment executed by both parties. The BGCCV shall pay \$1.00 per year to the Agency for the term of the lease which shall constitute rent under this lease.

Pursuant to California Environmental Quality Act (CEQA) guidelines section 15301, Existing Facilities Class 1 and General Rule Exemption Section 15061, the proposed project, the Lease, is the letting of property involving existing facilities, no expansion of existing use will occur and with certainty, there is no possibility that the proposed project may have a significant effect on the environment.

This lease agreement is considered an enforceable obligation and may be executed because the architectural services agreement with Holt Architects for the Mecca Boys and Girls Club Project was approved by the Board of Directors on December 5, 2006, the construction contract was awarded to Park West Construction on February 23, 2010. Both of these approvals were executed on dates prior to the enactment of ABx1 26 and ABx1 27, the Assembly bills regarding redevelopment that were signed by Governor Brown on June 29, 2011.

**BACKGROUND:** (Continued)

The Boys and Girls Club of Coachella Valley was an instrumental partner in the planning of the Mecca Boys and Girls Club facility. A crucial component, and the intent of the Agency in constructing the facility was that it would be leased to and operated by the Boys and Girls Club of Coachella Valley.

The Agency obligated itself to the Boys and Girls Club of the Coachella Valley to enter into a lease agreement to operate the facility for the benefit of the youth in the community. The Boys and Girls Club of the Coachella Valley has moved forward with plans to operate the center in reliance that the Agency will perform its obligation. Therefore, the proposed Lease Agreement between Redevelopment Agency for the County of Riverside and the Boys & Girls Club of the Coachella Valley is required and is an enforceable obligation of the Agency.

The resolution has been reviewed and approved by County Counsel as to legal form.

Staff recommends approval of County Resolution 2011-039 to approve the lease agreement.

**FINANCIAL DATA:**

There are no costs associated with this transaction.

15 cure any and all defaults. Upon the failure of Lessee to cure or begin to cure any  
16 default within 30 days of notice thereof, Agency shall have the right to terminate this  
17 Lease and retake possession of the Property together with all additions, alterations,  
18 and improvements thereto. Agency shall also retain all rights to seek any and all  
19 remedies at law or in equity available in the event of Lessee's default.
