directed to cause the appropriate resolution, based on the election tally, to be prepared and returned to the Board for its consideration.

BACKGROUND: Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2011-242 adopted October 4, 2011, the Board of Supervisors noticed a public hearing for November 22, 2011, to receive testimony regarding the annexation of Zone 168 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Zone 168 will fund the maintenance and servicing of fossil filters within public rights-of-way located southerly of De Palma Rd, westerly of Glen Eden Rd, and easterly, northerly and southerly of Santiago Canyon Rd in the Glen Ivy Hot Springs/Horsethief Canyon area and includes 261 single-family residential lots.

On October 5, 2011 a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2011-242, and an information sheet was mailed to all property owners within Zone 168, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2011-242 in an appropriate newspaper at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2011-242 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two other public locations within the County.
