26  
27  
28

1 within ninety (90) consecutive calendar days after commencing work on DISTRICT  
2 DRAINAGE FACILITIES. It is expressly understood that since time is of the essence in this  
3 Agreement, failure of DEVELOPER to perform the work within the agreed upon time shall  
4 constitute authority for DISTRICT to perform the remaining work and require DEVELOPER'S

19 authorized to act on DISTRICT'S behalf on all DISTRICT DRAINAGE FACILITIES  
20 construction and quality control matters. If DEVELOPER'S initial construction inspection  
21 deposit furnished pursuant to Section I.3. exceeds ten thousand dollars (\$10,000), DISTRICT

23 deposit within forty-five (45) days of DISTRICT'S approval of DEPUTY INSPECTOR;  
24 however, a minimum balance of ten thousand dollars (\$10,000) shall be retained on account.  
25  
26  
27  
28

1           6.    DISTRICT DRAINAGE FACILITIES construction work shall be on a five  
2 (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT  
3 designated legal holidays, unless otherwise approved in writing by DISTRICT. If  
4 DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or  
5 on holidays, DEVELOPER shall make a written request for permission from DISTRICT to  
6 work the additional hours. The request shall be submitted to DISTRICT at least seventy-two  
7 (72) hours prior to the requested additional work hours and state the reasons for the overtime  
8 and the specific time frames required. The decision of granting permission for overtime work  
9 shall be made by DISTRICT at its sole discretion and shall be final. If permission is granted by  
10 DISTRICT, DEVELOPER will be charged the cost incurred at the overtime rates for additional  
11 inspection time required in connection with the overtime work in accordance with Ordinance  
12 Nos. 671 and 749, including any amendments thereto, of the County of Riverside.

14           7.    DEVELOPER shall indemnify and hold harmless DISTRICT, County of  
15 Riverside and CITY (including their agencies, districts, special districts and departments, their  
16 respective directors, officers, Board of Supervisors, elected and appointed officials, employees,  
17 agents and representatives) from any liability, claim, damage, proceeding or action, present or  
18 future, based upon, arising out of or in any way relating to DEVELOPER'S (including its  
19 officers, employees, subcontractors and agents) actual or alleged acts or omissions related to this  
20 Agreement, performance under this Agreement, or failure to comply with the requirements of  
21 this Agreement, including but not limited to: (a) property damage; (b) bodily injury or death; (c)  
22 liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth  
23 Amendment of the United States Constitution or any other law, ordinance or regulation caused  
24 by the diversion of waters from the natural drainage patterns or the discharge of drainage within  
25 or from PROJECT; or (d) any other element of any kind or nature whatsoever.

1 DEVELOPER shall defend, at its sole expense, including all costs and fees  
2 (including but not limited to attorney fees, cost of investigation, defense and settlements or  
3 awards), DISTRICT, County of Riverside and CITY (including their agencies, districts, special  
4 districts and departments, their respective directors, officers, Board of Supervisors, elected and  
5 appointed officials, employees, agents and representatives) in any claim, proceeding or action  
6 for which indemnification is required.

7 With respect to any of DEVELOPER'S indemnification requirements,  
8 DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and shall  
9 have the right to adjust, settle, or compromise any such claim, proceeding or action without the  
10 prior consent of DISTRICT, County of Riverside and CITY; provided, however, that any such  
11 adjustment, settlement or compromise in no manner whatsoever limits or circumscribes  
12 DEVELOPER'S indemnification obligations to DISTRICT, County of Riverside or CITY.

13 DEVELOPER'S indemnification obligations shall be satisfied when  
14 DEVELOPER has provided to DISTRICT and CITY the appropriate form of dismissal (or  
15 similar document) relieving DISTRICT, County of Riverside or CITY from any liability for the  
16 claim, proceeding or action involved.

17 The specified insurance limits required in this Agreement shall in no way  
18 limit or circumscribe DEVELOPER'S obligations to indemnify and hold harmless DISTRICT,  
19 County of Riverside and CITY from third party claims.

20 In the event there is conflict between this section and California Civil Code  
21 Section 2782, this section shall be interpreted to comply with Civil Code Section 2782. Such  
22 interpretation shall not relieve DEVELOPER from indemnifying DISTRICT, County of  
23 Riverside or CITY to the fullest extent allowed by law.

1           10. Any waiver by DISTRICT or by CITY of any breach of any one or more  
2 of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other  
3 breach of the same or of any other term hereof. Failure on the part of DISTRICT or CITY to  
4 require exact, full and complete compliance with any terms of this Agreement shall not be  
5 construed as in any manner changing the terms hereof, or stopping DISTRICT or CITY from  
6 enforcement hereof.

7           11. This Agreement is to be construed in accordance with the laws of the State  
8 of California.

9           12. Any and all notices sent or required to be sent to the parties of this  
10 Agreement will be mailed by first class mail, postage prepaid, to the following addresses:

20 purpose of enforcing a right or rights provided for by the Agreement, shall be tried in a court of  
21 competent jurisdiction in the County of Riverside, State of California, and the parties hereto  
22 waive all provisions of law providing for a change of venue in such proceedings to any other  
23 county.

24           14. This Agreement is the result of negotiations between the parties hereto, and  
25 the advice and assistance of their respective counsel. The fact that this Agreement was prepared  
26 as a matter of convenience by DISTRICT shall have no import or significance. Any uncertainty  
27  
28

1 or ambiguity in this Agreement shall not be construed against DISTRICT because DISTRICT  
2 prepared this Agreement in its final form.

3 15. The rights and obligations of DEVELOPER shall inure to and be binding

19 statement of the terms and conditions thereof and supersedes any and all prior and  
20 contemporaneous agreements and understandings, oral or written, in connection therewith. This  
21 Agreement may be changed or modified only upon the written consent of the parties hereto.
