SUBJECT: Proclamation declaring December 21, 2011 as the National Memorial Day for the Homeless in Riverside County

BACKGROUND:

Since 1990, the National Coalition for the Homeless and the National Healthcare for the Homeless Council sponsor a national day of recognition every year to bring attention to the tragedy of homelessness and to remember those who have died while homeless.

A federal resolution (H. Con. Res. 325) has been introduced in the United States House of Representatives supporting the goals and ideals of National Homeless Persons' Memorial Day. The resolution encourages localities and states to issue proclamations designating National Homeless Persons' Memorial Day. This resolution was introduced by U.S. Rep. Alcee Hastings and fifteen additional co-sponsors.

By proclaiming December 21st, the first day of winter, the longest night of the year, as the National Memorial Day for the Homeless in Riverside County, the Board of Supervisors joins hundreds of American communities raising awareness of the perils of homelessness and memorializing those who have lost their lives while homeless.
