AGENDA NO.

3.8

BACKGROUND:

The primary goal of Gilda's Club Desert Cities is to provide mental health and wellness intervention to cancer survivors who otherwise would fall into a devastating cycle of their environment requiring further support from social service and the health care system.

The Palm Desert Rotary will be honoring the College of the Desert President Jerry Patton on February 8th. The proceeds of the event will go towards scholarships to students.

The North Shore Boat Race will take place on Jan. 20th-22nd at the Salton Sea State Park. This event will bring hund of visitors to the area. It is an opportunity to educate the public about the need to restore the Salton Sea.

The Regional Access Project Foundation will provide scholarships to outstanding students in the Coachella Valley and Palo Verde Valley who have demonstrated leadership capabilities in academics and in their communities. Each of the students will be attending a College or University in the Fall of 2012.

The Stroke Recovery Center provides free long term physical, speech and recreational rehabilitation to stroke and TBI survivors and assisting families deal with the issues of caregiving.

I would like to use Fourth District Community Distribution Funds to support these worthy organizations.
