

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisors John Tavaglione

SUBMITTAL DATE: January 24, 2012

SUBJECT: March Joint Powers Authority Successor Agency Oversight Committee

RECOMMENDED MOTION: That the Board of Supervisors appoint Supervisor Marion Ashley to represent the Board of Supervisors and Jamil Dada as a citizen appointee to the March Joint Powers Authority Successor Agency Oversight Committee.

BACKGROUND: On January 10, 2011, Governor Brown, as part of the statewide budget process, proposed the elimination of redevelopment agencies throughout California to be effective for Fiscal Year 2011-2012. The Governor's budget proposed stated that, while existing projects would not be affected, the \$1.7 billion that would have gone to redevelopment agencies would be shifted to the State General Fund to backfill the 2011-2012 budget. Future year redevelopment tax increment would be slated for school districts, special districts and other local services.

In anticipation of the potential abolition, through a Joint Powers Agreement amendment the March Joint Powers Commission and its member jurisdictions took the steps necessary to enable the March Joint Powers Authority (March JPA) to assume the March Joint Powers Redevelopment Agency's responsibility as their Successor Agency.

With the March JPA identified as the Successor Agency, March JPA is required to have an Oversight Committee. The Oversight Committee shall consist of seven members, two of which are to be appointed by the County Board of Supervisors.

BACKGROUND CONTINUED:

Supervisor Marion Ashley serves on the March Joint Powers Commission. This experience will be very beneficial to the JPA in its successor agency duties. Mr. Jamil Dada has vast experience as a community leader and his current appointments to the County, State and Federal Workforce Development Boards make him a good candidate for this committee. In addition, Mr. Dada is a staunch supporter of the military and March Air Reserve Base.
