**BACKGROUND:**

The Palo Verde Cemetery District has been able to continue to operate with a dedicated group of volunteers who have brought financial stability to the district. However, there is an unanticipated expense that was not budgeted. The county would like to assist with the cost of paying for one time only tree trimming.

The LEAPS Foundation is working to establish a Law Enforcement Public Safety Museum that will benefit the community.

I would like to use Fourth District Community Improvement funds to support both of these worthy efforts.
