BACKGROUND:

The Riverside County Fair & National Date Festival issued a competitive Request for Proposals (RFP) on December 21, 2011, for tent, pipe, and drape services. The RFP was designed to provide the fair with the opportunity to select a firm with the highest quality services at the most competitive price.

The RFP solicited proposals for a one year contract for 2012, with the option to extend the contract for two one-year periods for the years 2013 and 2014. The bid evaluation criteria for tent, pipe, and drape services included 30 points for past experience and previous performance, 20 points for personnel, 20 points for references, 30 points for form submittal for a possible 100 points total. Five responses were received and evaluated by the Fair staff for a total three year bid which included Karl's Event Services from Oak Creek at \$188,319, Exclusive Tent Rentals from Fontana at \$85,692, Avalon Tent & Party from Anaheim at \$75,829, Choura from Torrance at \$70,893, and A1 Event & Party Rentals from Covina at \$63,837. Based upon these evaluations, A1 Event & Party Rentals was the lowest qualified bidder.

The attached agreement between the County of Riverside and A1 Event & Party Rentals was prepared for an amount not to exceed \$191,512 over three years, established the following payment schedule:

Fiscal Year 2011/2012	\$63,837.50
Fiscal Year 2012/2013	\$63,837.50
Fiscal Year 2013/2014	<u>\$63,837.50</u>
Total	\$191,512.50

The contractor will provide tent, pipe, and drape services throughout the fairgrounds.

The attached agreement has been approved as to form by County Counsel, and staff recommends approval.

To Whom It May Concern:

It gives me great pleasure to recommend A1 Party Rental as a vendor for any event related needs. Best Friends Animal Society has worked with A1 for many years, from small events (500 people and 5k worth of rentals) to large events, such as our annual Super Adoption (10,000+ people and 20k+ worth of rentals). Over the years, A1 has proven to be nothing less than extraordinary in their service supplied, and have gone above and beyond to help with our event needs.

As a non-profit, money is important and we're always doing what we can to cut costs. For that reason, this past year we decided to send our event needs out for competitive bidding, and ended up selecting another company for one of our largest events. The outcome was nothing short of a disaster, and one of the worst decisions we ever made. We realized that although their cost was slightly less upfront, it was evident when it came to the equipment, staff, and setup. Not only were they late to arrive, but they finished their setup several hours past the deadline, which caused chaos with our staff and scheduled volunteers. In our line of work, the difference between a good event and a bad event can be the difference in many animals lives being saved or not. Needless to say, we learned our lesson, and are sticking with A1 here on out!

I always appreciate the help and support from Rene and his team: Michael is always on top of things and I can count on him for fast replies and advice, and Oscar leading set-up and tear-down is impressive to watch and extremely friendly. For the last two events, A1 was competitively priced, helpful with suggestions and unique tactics, and finished setup hours early both times! I appreciate the work of A1, and attribute the successfulness of our event in part to the work that they do to help us prepare.

Whether it's a first-time event or one that has been running for years, if you want it done right, A1 is the company to trust. I recommend them with enthusiasm, and if given the opportunity, will hire them again for future events.

Sincerely,

To Whom It May Concern:

A1 Events and Party Rentals have provided canopies and tents for the Santa Cruz County Fair the last six (6) years and we will be using them for the 2010 Fair as well. In this time, they have been punctual in ensuring that all tents and canopies are installed and ready to go well before their deadline. Their staff is very friendly and professional. Whenever we need help, we make a change, or we have a question, they are there and more than happy to work with us.

Their Special Event Coordinator, Cindy Santiago, has been more than helpful to the Santa Cruz County Fair. I first started working with Cindy in April of 2008. The past few years we have gone through many changes and she has worked with us the entire way. Cindy is professional at all time and has demonstrated the capacity to work effectively with people at all levels of an organization. Cindy is widely respected by the Santa Cruz County Fair and I believe Cindy would prove to be a tremendous asset to any company. I highly recommend her and A1 Events and Part Rentals.

Sincerely,

To Whom It May Concern:

I have had the pleasure to work with A-1 Event & Party Rentals and have found both the set-up crew and the administration staff very cooperative and timely. We require a large set-up and often find that we have to make adjustments at the last minute. A-1 Event staff has always gone above and beyond to satisfy our requests.

I have found their equipment to be in excellent condition from pipe and drape to over sized tents to concert chairs. Without hesitation I would recommend A-1 Event & Party Rentals to any perspective customer needing tent rentals.
