4. Authorize the Assistant County Executive Officer/EDA or designee to take all necessary steps to implement the NSP3 Loans including, but not limited to, signing essential and relevant documents subject to approval by County Counsel.

BACKGROUND: On October 19, 2010, the third round of the Neighborhood Stabilization Program (NSP3) was created under Section 1497 of the Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank Act) to stabilize neighborhoods whose viability has been, and continues to be, damaged by the economic effects of properties that have been foreclosed upon, abandoned, or subjected to blighted conditions. Based on formula allocation by the U.S. Department of Housing and Urban Development (HUD), the County of Riverside was allocated \$14,272,400. On February 15, 2011, the Board approved the inclusion of NSP3 in the Substantial Amendment to the 2010-2011 One Year Action Plan of the 2009-2014 Five-Year Consolidated Plan. On February 28, 2011, the county entered into agreement with HUD for allocation of NSP3 funding.

In May of 2011, the Board of Supervisors approved loan agreements with developer partners to perform NSP3 activities as shown in the attached Exhibit A. As of December 1, 2011, the county has obligated approximately \$10,592,709 (74% of NSP3 grant funds) for the acquisition of approximately 39 foreclosed single-family homes for rehabilitation and resale. NSP3 requires 50% of NSP3 grant funds to be expended within 2 years from the agreement with HUD and 100% of the funds expended within 3 years. The county has expended approximately \$6,268,570 (43%) within 10 months.

Pursuant to NSP3 regulations, all foreclosed single-family acquisitions must be at least 1% below the current market appraised value as determined within 60 days of the date of the final purchase price offer. The resale price of each NSP3 assisted unit cannot exceed the fair market value or the total cost to acquire, rehabilitate and dispose the NSP3 assisted unit. NSP3 assisted units will be affordable for a period of at least 15 years from the transfer of title to qualified low-, moderate-, and middle-income (LMMI) first-time homebuyers and very low-income (VLI) first-time homebuyers.

Subsequent to the resale of each foreclosed single-family home, proceeds from the sale, minus transaction costs, fees, and purchase price assistance for the first-time homebuyer, are returned to the county as Program Income derived from NSP3 grant funds. NSP3 requires the county to allocate and expend Program Income towards NSP3 activities prior to expending NSP3 grant funds.

In order to expedite the process of expending Program Income towards NSP3 activities, maximize the use of NSP3 funds and assist the county to fulfill its requirements and national objectives, staff recommends that the Board adopt Resolution No. 2012-011; approve the template loan agreement; authorize the Assistant County Executive Officer/EDA or designee to award NSP3 funds received from Program Income with existing Board approved and qualified NSP3 developer partners in amounts up to \$3,000,000 per developer partner, subject to availability of Program Income and approval by County Counsel. Qualified NSP3 developer partners are expected to meet performance requirements as defined in Resolution No. 2012-011 before additional NSP3 funds can be awarded and loaned.

County Counsel has reviewed and approved as to form the attached Resolution No. 2012-011 and template loan agreement. Staff recommends that the Board adopt Resolution No. 2012-011, Authorization to Award and Loan Neighborhood Stabilization Program Funds and approve the template Loan Agreement for the Use of Neighborhood Stabilization Program 3 Funds.

13 with the COUNTY’s Consolidated Plan and Action Plan;

14 **NOW, THEREFORE**, COUNTY and DEVELOPER mutually agree as
15 follows:

16 1. **PURPOSE**. COUNTY agrees to lend up to <amount> Dollars
17 (\$xxx.00) of NSP3 funds to DEVELOPER upon the terms and conditions set forth
18 herein. DEVELOPER will borrow the NSP3 funds from COUNTY for individual
19 financing of acquisition, rehabilitation and disposition of each Assisted Unit of the
20 Project (“NSP3 Loan”). DEVELOPER promises and agrees to undertake and assist
21 with the NSP3-assisted activities by utilizing such NSP3 funds, as identified in **Exhibit**
22 **A**.

23 2. **DEVELOPER’S OBLIGATIONS**. DEVELOPER hereby agrees to
24 undertake and complete the following activities, subject to its receipt of the NSP3
25 funds:

- 26 a. Carry out the Project in accordance with the timeline set
27 forth in **Exhibit A**.
- 28 b. DEVELOPER shall, for each Assisted Unit of the Project,

1 execute and record a Deed of Trust and execute a Note for
2 that portion of the NSP3 Loan applicable to the Assisted
3 Unit.

4 c. Permits. Before commencement of rehabilitation or other
5 works of improvement upon an Assisted Unit, DEVELOPER
6 shall, at its own expense, secure or cause to be secured
7 any and all permits and approvals which may be required
8 for rehabilitation of such Assisted Unit pursuant to the
9 applicable rules and regulations of the County and any
10 other governmental agency affected by such rehabilitation
11 of work. DEVELOPER shall, without limitation, apply for and
12 secure any and all necessary studies required for
13 environmental review, as described in **Section 20**, and pay
14 all costs, charges and fees associated therewith.

15 d. Performance. Acquire and complete rehabilitation of the
16 Assisted Units in accordance with the timeline set forth in
17 **Exhibit A and Section 27**.

18 e. Approval of Assisted Units. Submit each Assisted Unit for

21 f. Compliance. Project shall remain in compliance with all
22 applicable Federal, State and local codes, laws, regulations
23 and ordinances as described in **Section 20**.

24 g. DEVELOPER shall submit a budget to COUNTY for each
25 Assisted Unit showing the costs for acquiring, rehabilitating
26 and disposing of it and obtain COUNTY's approval on the
27 submitted budget ("Approved Budget") prior to entering into
28 a contract to purchase the Assisted Unit.

1 3. COUNTY'S OBLIGATIONS. COUNTY agrees to undertake and
2 complete the following activities, subject to its receipt of NSP3 funds from the U.S.
3 Department of Housing and Urban Development ("HUD"):

- 4 a. Provide a total amount identified in **Section 1** in NSP3
5 funds to DEVELOPER for financing acquisition,
6 rehabilitation and disposal costs of each Assisted Unit of
7 the Project.
8 b. Comply with all of its obligations as participating recipient
9 under the applicable regulations set forth under HUD
10 regulations.

11 4. PRIOR COUNTY APPROVAL. DEVELOPER shall obtain
12 COUNTY'S approval, through its Economic Development Agency ("EDA"), of all items
13 requiring such approvals as described in this Agreement.

14 5. NSP3 Loan. DEVELOPER shall borrow the NSP3 funds from
15 COUNTY for individual financing of each Assisted Unit of the Project under the
16 following terms and conditions:

- 17 a. Term. This Agreement shall become effective upon the
18 Effective Date, as defined in **Section 54**, and shall continue
19 in full force and effect for a period of up to ____ (XX) months
20 (the "Term"), not to exceed 10 months.
21 b. Principal. The principal of that portion of the NSP3 Loan
22 attributable to an Assisted Unit shall be the amount of NSP3
23 funds provided for acquisition, rehabilitation and disposition
24 of such Assisted Unit evidenced by a promissory note
25 ("Note"), as shown in **Exhibit C**, which is attached hereto
26 and by this reference incorporated herein, executed by
27 DEVELOPER in favor of COUNTY in a form satisfactory to
28 COUNTY.

1 c. Interest. The interest rate shall be zero percent (0%) per
2 annum.

3 d. Repayment. Each Note shall provide the following:

4 1) The NSP3 Loan attributable to an Assisted Unit shall
5 be due and payable on the earliest of:

6 (a) The date the Assisted Unit is sold; or

7 (b) An Event of Default by DEVELOPER which
8 has not been cured as provided for in this
9 Agreement.

10 2) Notwithstanding the above, DEVELOPER's
11 obligation to repay the full amount of the NSP3 Loan
12 attributable to a particular Assisted Unit will be
13 reduced by the sum of the Development Subsidy, the
14 Homebuyer Subsidy, and Closing Costs, as defined
15 below:

16 (a) Development Subsidy. The Development
17 Subsidy is the amount of the NSP3 Loan
18 attributable to the Assisted Unit plus any
19 additional funds secured by DEVELOPER
20 ("Leveraged Funds") expended for NSP3-
21 eligible costs identified in the Approved
22 Budget, minus the Selling Price of the
23 Assisted Unit (as defined in **Section 23**).

24 (b) Homebuyer Subsidy. The Homebuyer Subsidy
25 is the amount of the Selling Price of the
26 Assisted Unit minus the Qualified
27 Homebuyer's home loan (the "Homebuyer
28 Loan"). The Homebuyer Subsidy is limited to

1 (a) thirty percent (30%) of the Selling Price
2 capped for a maximum amount of \$75,000 for
3 LMMI households or (b) fifty percent (50%) of
4 the Selling Price capped for a maximum
5 amount of \$75,000 for VLI households. The
6 Homebuyer Subsidy is an amount which will
7 be assumed by the Qualified Homebuyer in
8 the form of silent second mortgage assistance
9 to Qualified Homebuyer; and

10 (c) Closing Costs. Closing Costs include all costs
11 payable by DEVELOPER in connection with
12 the sale of the Assisted Unit to a Qualified
13 Homebuyer.

14 3) NSP3 Program Income is the NSP3 Loan less the
15 Development Subsidy, less the Homebuyer Subsidy
16 and less the Closing Costs for such Assisted Unit.
17 NSP3 Program Income shall be paid to COUNTY
18 upon the sale of the Assisted Unit. Upon the
19 repayment of the NSP3 Loan, DEVELOPER shall be
20 released from its repayment obligations. At the time
21 of each sale of the Assisted Unit to Qualified
22 Homebuyer, COUNTY shall cause to be delivered to
23 DEVELOPER a partial reconveyance of the Deed of
24 Trust from such Assisted Unit and a termination of
25 this Agreement as a lien on such Assisted Unit.

26 4) Upon transfer of title to the Qualified Homebuyer, a
27 "Homebuyer Deed of Trust" between COUNTY and
28 Qualified Homebuyer shall be recorded by

1 DEVELOPER to secure the Homebuyer Subsidy
2 (“Second Mortgage Loan”), and to require its
3 repayment to COUNTY if the Assisted Unit is no
4 longer the principal residence or upon any sale,
5 rental, refinance, conveyance, transfer or change in
6 title of the Assisted Unit in violation of the
7 Homebuyer Deed of Trust prior to the expiration of
8 the Affordability Period , as defined in **Section 14**
9 below.

10 5) Sale, rental, refinance, conveyance, transfer or
11 change in title of the Assisted Unit prior to the
12 expiration of the affordability period will cause shared
13 equity, in addition to the principal, as provided in the
14 Homebuyer Deed of Trust to COUNTY.

15 e. Security. Each NSP3 Loan shall be secured by a “Deed of
16 Trust” as shown in **Exhibit B**, which is attached hereto and
17 by this reference incorporated herein, recorded against
18 each Assisted Unit. DEVELOPER agrees that each Deed of
19 Trust shall be in the first position until the home has been
20 sold to the Qualified Homebuyer.

21 6. TERM OF AGREEMENT. This Agreement shall become effective
22 upon the Effective Date, as defined in **Section 54**, and shall continue in full force and
23 effect for a period of up to ____ (XX) months (the “Term”), not to exceed 10 months.

24 7. DEVELOPER REPRESENTATIONS. DEVELOPER represents
25 and warrants to COUNTY as follows:

26 a. Authority. DEVELOPER is a duly organized corporation
27 under the laws of the State of California. The copies of the
28 documents evidencing the organization of DEVELOPER,

1 which have been delivered to COUNTY, are true and
2 complete copies of the originals, amended to the date of
3 this Agreement. DEVELOPER has full right, power and
4 lawful authority to accept the conveyance of eligible
5 properties for the Project and undertake all obligations as
6 provided herein and the execution, performance and
7 delivery of this Agreement by DEVELOPER has been fully
8 authorized by all requisite actions on the part of
9 DEVELOPER.

- 10 b. No Conflict. To the best of DEVELOPER's knowledge,
11 DEVELOPER's execution, delivery and performance of its
12 obligations under this Agreement will not constitute a
13 default or a breach under contract, agreement or order to
14 which DEVELOPER is a party or by which it is bound.
- 15 c. No Bankruptcy. DEVELOPER is not the subject of a
16 bankruptcy proceeding.
- 17 d. Prior to Closing. DEVELOPER shall upon learning of any
18 fact or condition which would cause any of the warranties
19 and representations in this Agreement not to be true as of
20 Closing, immediately give written notice such fact or
21 condition to COUNTY. Such exception(s) to a
22 representation shall not be deemed a breach by
23 DEVELOPER hereunder, but shall constitute an exception
24 which COUNTY shall have the right to approve or
25 disapprove if such exception would have an effect on the
26 value or operation of the Project.

27 8. COMPLETION SCHEDULE. DEVELOPER shall proceed
28 consistent with the completion schedule set forth in **Exhibit A**, as the same may be

1 amended in writing by the parties from time to time, and subject to Force Majeure
2 Delays, as defined in **Section 9**, and may be amended in writing by COUNTY and
3 DEVELOPER.

4 9. FORCE MAJEURE DELAYS. Delay due to Force Majeure that, in
5 each case, (i) materially adversely affects the performance by DEVELOPER of its
6 obligations hereunder, (ii) is not reasonably foreseeable and is beyond DEVELOPER's
7 reasonable control, (iii) despite the exercise of reasonable diligence, cannot be
8 prevented, avoided or removed by DEVELOPER and is not attributable to the
9 negligence, willful misconduct or bad faith of DEVELOPER, and (iv) is not the result of
10 the failure of DEVELOPER to perform any of its obligations under this Agreement.
11 Notwithstanding the foregoing, a Force Majeure Delay shall not be deemed to have
12 occurred unless DEVELOPER has notified COUNTY of such occurrence of Force
13 Majeure within fifteen (15) days after such occurrence and has provided COUNTY
14 with the details of such event and the length of the anticipated delay within an
15 additional fifteen (15) days thereafter. DEVELOPER shall diligently attempt to
16 remove, resolve, or otherwise eliminate such event, keep the COUNTY advised with
17 respect thereto, and shall commence performance of its obligations hereunder
18 immediately upon such removal, resolution or elimination. During the occurrence and
19 continuance of a Force Majeure Delay, DEVELOPER shall be excused from
20 performance of its obligations under this Agreement to the extent the Force Majeure
21 prevents DEVELOPER from performing such obligations.

22 10. LETTER TO PROCEED. DEVELOPER shall not initiate nor incur
23 expenses for the NSP3 funded activity covered under the terms of this Agreement
24 prior to receiving written authorization to proceed.

25 11. REALLOCATION OF FUNDS.

- 26 a. Funds shall become encumbered on the date escrow
27 closes for the Assisted Unit and results in a recorded deed
28 of trust in the Riverside County Clerk's office and evidenced

1 by a promissory note. In the event DEVELOPER does not
2 close escrow on the Assisted Units within four (4) months of
3 the Effective Date, as defined in **Section 54** ("Acquisition
4 Deadline"), COUNTY will reallocate the balance of
5 unencumbered NSP3 funds (the "Unused Balance").

6 b. The reallocation of the Unused Balance shall be evidenced
7 by a written amendment to this Agreement agreed upon
8 both parties, which decreases the NSP3 Loan by the
9 Unused Balance (the "Effective NSP3 Loan"). The Assistant

28 terms of this Agreement thereafter.

1 43. INTERPRETATION AND GOVERNING LAW. This Agreement and
2 any dispute arising hereunder shall be governed by and interpreted in accordance with

Project Title: _____

Project Description:

DEVELOPER will utilize up to \$_____ in NSP3 funds for acquisition, rehabilitation and resale of vacant, foreclosed and bank-owned single-family homes to low-, moderate- and middle-income ("LMMI") and very low-income ("VLI") first-time homebuyers within designated Target Areas of the County of Riverside as defined in the County of Riverside's 2010-2011 One Year Action Plan and its amendments. Target Areas inside a city's boundary will require a letter of support from the respective city. DEVELOPER has identified working in the following NSP3 Target Areas subject to city support: _____.

DEVELOPER will resell Assisted Units to LMMI households whose incomes are at or below one-hundred twenty percent (120%) of the Area Median Income (AMI), adjusted by family size at the time of occupancy, for the County of Riverside and resell a minimum of _____(XX)% of the total Assisted Units to VLI households whose incomes are at or below fifty percent (50%) of AMI, adjusted by family size at the time of occupancy, for the County of Riverside.

Qualified homebuyers must not have owned a home within the past 3 years and are required to attend an eight (8) hour home buyer counseling session certified by the United States Department of Housing and Urban Development (HUD). Developer will utilize NSP3 funds for acquisition, rehabilitation and disposal costs of properties for the Project. NSP3 Assisted Units shall be affordable for a period of at least 15 years from the transfer of title to qualified first-time homebuyers.

Eligible Properties ("Assisted Units")

Any single-family home, condominium or town home that meets all of the following minimum criteria:

1. The home must be foreclosed or abandoned and bank-owned or real estate owned.
2. If the home was tenant occupied at the time of foreclosure the foreclosing entity must provide documentation showing that all tenant protection laws were adhered to. Also, prior to entering into an agreement the home must have been vacant for a period of at least 90 days prior to the Initial Notice and Offer form (Exhibit E).
3. The home must be permanently fixed to a permanent foundation.
4. Homes constructed after January 1, 2000 are preferred. Older dwellings are eligible if they are suitable for renovation and if rehabilitation costs are reasonable. However, all properties older than 50 years and must not be listed on, or eligible for listing on, the National Register of Historic Places and are subject to review by the California State Historic Preservation Office. Homes built prior to 1978 will require to be tested for lead.
5. The home must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) and comply with Laws and Authorities of §58.5: Historic Preservation, Floodplain & Wetlands, Coastal Zone, Aquifers, Endangered Species, Rivers, Air, Farmlands, HUD Environmental Standards and Environmental Justice.
6. Single-Family homes with in-ground pools or spas are eligible for acquisition.

Target Areas

Assisted Units must reside inside areas of greatest need within the designated Target Areas of the County of Riverside as defined in the County's 2010-2011 One Year Action Plan and its amendments. Target Areas inside a city's boundary will require a letter of support from the respective city.

Maximum Purchase Price

The maximum purchase price shall not exceed the actual 95 percent of the area median sales price, or the FHA 203(b) limit, as updated and published regularly by HUD. In addition, the purchase price of property shall not exceed the appraised value of the property.

Resale Price Limitation

The Selling Price of each Assisted Unit shall not exceed (a) the fair market value or (b) the total costs to acquire, rehabilitate and dispose of each Assisted Unit pursuant to NSP3.

Acquisition

1. All foreclosed homes participating in this program must meet or exceed the minimum one percent (1%) discount below the **Current Market Appraised Value (CMAV)**. The CMAV is the value of a foreclosed upon home that is established through an appraisal made in conformity with appraisal requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) and its implementing regulations at 49 CFR 24.103 and completed within sixty (60) days prior to a final offer made for the property. At COUNTY's discretion and within NSP3 regulations of the NSP31 Federal Register Bridge Notice, COUNTY may modify the percentage discount requirement below the CMAV.
2. EDA will pay for appraisal costs as follows:
 - a) If the property's purchase price does not meet the minimum one percent (1%) discount below the Current Market Appraised Value, then EDA will only pay up to \$1,500 per property of which will be paid by EDA. Beyond that amount, DEVELOPER must pay for the cost of subsequent appraisals.
 - b) If the property's purchase price does meet or exceed the minimum one percent (1%) discount below the Current Market Appraised Value, then the cost of appraisal will be paid from the closing costs budget for the project.
3. Initial Notice and Offer. Upon receipt of a completed and signed Initial Notice and Offer form for each property in consideration, as provided in **Exhibit E**, or other similar forms approved by COUNTY, EDA will conduct an appraisal of the property through an independent fee contract appraiser ("Appraiser"). The Appraiser contracted by EDA will be State licensed or certified in accordance with Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA). The initial purchase price, identified in the Initial Notice and Offer form, will be considered as the Initial Offer. Bulk purchases must identify purchase prices for each property.
4. Final Notice and Offer. The final purchase price must be at least one percent (1%) below the CMAV. Properties may be purchased in bulk, but the minimum one percent (1%) discount applies to each property, and not an overall discount.
 - a) If the Initial Offer does meet or exceed the minimum one percent (1%) discount, then the Seller and DEVELOPER ("Buyer") will be required to submit a Final Notice and Offer form, as provided in **Exhibit E**, or other similar forms approved by COUNTY. The Final Notice and Offer form must be received and dated within sixty (60) days of the completed EDA appraisal report. Failure to submit this in a timely manner will result in denial of the property.
 - b) If the Initial Offer does not meet the minimum one percent (1%) discount below CMAV, then the Buyer will be required to re-negotiate to meet the minimum one percent (1%) discount. If the Seller and Buyer could not reach an amicable agreement for the purchase price of the property, then the property by the Buyer will be denied and the cost of the appraisal will be paid for by EDA.

DEED OF TRUST WITH ASSIGNMENT OF RENTS

This DEED OF TRUST is made on this _____ day of _____, 2010. The trustor is _____, ("Borrower" or "DEVELOPER"), a California nonprofit public benefit corporation and whose address is _____. The trustee is RIVERSIDE COUNTY ECONOMIC DEVELOPMENT AGENCY ("Trustee"). The lender is the COUNTY OF RIVERSIDE ("COUNTY" or "Lender"), a public agency, organized and existing under the laws of the State of California, and whose address is 3403 10th Street, Suite 500, Riverside, CA 92501.

Pursuant to the terms of the NSP3 Loan Agreement, dated _____, Borrower owes Lender the sum of _____ Dollars (U.S. \$) (the "NSP3 Loan") for acquisition, rehabilitation and disposition of the "Assisted Unit" at _____ with Assessor Parcel Number _____, as legally described as follows:

<LEGAL DESCRIPTION>

This debt is evidenced by Borrower's Note dated _____ ("Note"). Capitalized terms not defined herein shall have the meaning ascribed to them in the NSP3 Loan Agreement.

The NSP3 Loan is evidenced by the Note and secured by this Deed of Trust ("Security Instrument"). The Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest as provided in the Note, and all renewals, extensions and modifications of the Note; (b) the payment of all other sums, with interest as provided in the Note, advanced under paragraph 8 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, all of Borrower's right, title and interest in and to the Assisted Unit located in Riverside County, California.

TOGETHER WITH all the improvements now or hereafter erected on the Property, and all easements, appurtenances, and fixtures now or hereafter a part of the Property. All replacements and additions shall also be covered by this Security

Instrument. All of the foregoing is referred to in this Security Instrument as the "Property".

BORROWER COVENANTS that the Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey its fee and leasehold interest in the Property, as applicable, and the Property is unencumbered. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to such encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS Borrower and Lender covenant and agree as follows:

1. **Payment of Principal; Late Charges.** Borrower shall promptly pay when due the principal of on the debt evidenced by the Note and any late charges due under the Note.
2. **Taxes and Insurance.** Borrower shall pay at least ten (10) days before delinquency all taxes and assessments affecting said Property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said Property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.
 - a. Should Borrower fail to make any payment or to do any act herein provided, then Lender or Trustee, but without obligation so to do and upon written notice to or demand upon Borrower and without releasing Borrower from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Lender or Trustee being authorized to enter upon said Property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Lender or Trustee; pay, purchase, contest or compromise any encumbrance, charge, or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his or her reasonable fees.
3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to amounts payable under paragraph 2; second, to interest due; third, to principal due; and last, to any late charges due under the Note.
4. **Prior Deeds of Trust; Charge; Liens.** The Borrower shall perform all of the Borrower's obligations under this Deed of Trust, including Borrower's covenants to make payments when due, subject to applicable cure periods. Borrower shall

pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any, subject to applicable cure periods. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

- a) Except for the liens permitted by the Lender, Borrower shall promptly discharge any other lien which shall have attained priority over this Security Instrument unless Borrower: (1) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (2) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; (3) bond around the lien; or (4) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy such lien or take one or more of the actions set forth above within thirty (30) days of the giving of notice.

5. Subordination. This Deed of Trust shall be recorded in first position. This Deed of Trust shall remain in a superior position over any other trust deed that may be issued to secure additional public and/or private financing for the Project.

6. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss of fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods as required in the NSP3 Loan Agreement. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 8.

- a) All insurance policies and renewals shall be with terms and amounts acceptable to Lender and shall include a standard mortgagee clause. All original policies of insurance required pursuant to the Lender Deeds of Trust shall be held by the Borrower; provided, however, Lender shall be named as a loss payee as its interest may appear and may be named as an additional insured. Borrower shall promptly give to Lender certificates of insurance showing the coverage is in full force

and effect and that Lender is named as additional insured. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by the Borrower.

- b) Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided Borrower determines that such restoration or repair is economically feasible and there is no default continuing beyond the expiration of all applicable cure periods. If Borrower determines that such restoration or repair is not economically feasible or if a default exists after expiration of all applicable cure periods, the insurance proceeds shall be applied to the sums secured by this Deed of Trust, with the excess, if any, paid to Borrower. If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.
- c) Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of Note. If under paragraph 23 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

7. Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to representations concerning Borrowers use of Property for affordable housing. If this Security Instrument is

on a leasehold, Borrower shall comply with all provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

- a) The Borrower acknowledges that this Property is subject to certain use and occupancy restrictions limiting the Property's use to low-, moderate- and middle-income (LMMI) households earning no more than one-hundred twenty percent (120%) of the Area Median Income (AMI), adjusted by family size at the time of occupancy for the County of Riverside, or very low-income (VLI) households earning no more than fifty percent (50%) of the AMI adjusted by family size at the time of occupancy for the County of Riverside. The use and occupancy restrictions may limit the Borrower's ability to sell the Property. The violation of any use and occupancy restrictions may, if not prohibited by federal law, entitle the Lender to the remedies provided in Section 23 hereof.

8. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then, subject to any applicable grace periods or cure periods, Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument (including sums secured by the Senior Deeds of Trust), appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 8, Lender does not have to do so.

- a. Any amounts disbursed by Lender under this paragraph 8 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

9. Mortgage Insurance. (Not used)

10. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

11. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of

the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

- a. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due. Notwithstanding the foregoing, so long as the value of Lender's lien is not impaired, any condemnation proceeds may be used by Borrower for repair and/or restoration of the project.
- b. If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.
- c. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Except in connection with any successor in interest approved by lender, extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by

reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

13. Successors and Assigns Bound; Joint and Several Liability. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 18. Borrower's covenants and agreements shall be joint and several.

14. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be promptly refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

15. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Borrower's mailing address stated herein or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice required to be given to a Senior Lien Holder shall be given by first class mail to any Senior Lien Holder at such address Senior Lien Holder designates by notice to the Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

16. Governing Law; Severability. This Security Instrument shall be governed by laws of the State of California. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

17. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. Except for the sale of units in the Project, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent

(including a transfer of all or any part of the Property to any person who, at initial occupancy of the Property, does not use the Property for LMMI households as described in Section 7(a)) Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

- a. If Lender exercises the foregoing option, Lender shall give Borrower prior written notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.
- b. Notwithstanding Lender's right to invoke any remedies hereunder, as provided in Section 8 above, Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given the Borrower least 60 days' prior written notice.

19. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 18.

20. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance

with paragraph 15 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

21. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses, construction, and to maintenance of the Property.

a. Borrower shall promptly given Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified in writing by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Prior to taking any such remedial action, however, the Borrower shall notify the Senior Lien Holders that such remedial action is necessary and shall obtain the Senior Lien Holders' prior written consent for such remedial action.

b. As used in this paragraph 22, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. 22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that

failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured by the Borrower on or before the date specified in the notice, then Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Notwithstanding Lender's right to invoke any remedies hereunder, as provided in Section 8 above, the Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given the Borrower at least 60 days' prior written notice. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 23, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder for cash at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property to any later time on the same date by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.
- b. Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

24. Substitute Trustee. Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Security Instrument is recorded.

The NSP3 Loan shall be due and payable on the earliest of: (a) the date the Assisted Unit is sold; or (b) an Event of Default by Borrower which has not been cured as provided for in the NSP3 Loan Agreement. Notwithstanding the above, it is intended that the full amount of the NSP3 Loan for the Assisted Unit will be reduced by the following:

Sale, rental, refinance, conveyance, transfer or change in title of the Assisted Unit prior to the expiration of the affordability period will cause the shared equity in addition to the principal as provided in the Homebuyer Deed of Trust.

Pursuant to the NSP3 Loan Agreement, the term of the NSP3 Loan shall be twelve (12) months from the date of execution of the NSP3 Loan Agreement.

In any action commenced to enforce the obligation of the Borrower to pay principal and interest under the Note, the obligations hereunder shall be non-recourse to the Borrower and the judgment shall not be enforceable personally against the Borrower, Borrower's partners, or the Borrower's assets, and the recourse of COUNTY for the collection of such amounts shall be limited to actions against the Property described in the Deed of Trust executed by the Borrower to secure the Note and the rents, profits, issues, products, and income from the Property.

The American Recovery and Reinvestment Act of 2009 provided a second round of NSP funds, NSP2, awarded by competition. On October 19, 2010, a third round of NSP funding, NSP3, was announced providing an additional allocation of funds under Section 1497 of the Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank Act). The Buyer intends to apply and qualify for the Riverside County Economic Development Agency (EDA) NSP 3 assistance. Acquisitions financed with NSP 3 funds are subject to Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA).

Please be advised that the Buyer does not have the authority to acquire your property by eminent domain. In the event the Buyer cannot reach an amicable agreement for the purchase of your property, the proposed acquisition cannot be consummated under NSP 3 and the application for the NSP 3 assistance will be denied.

Prohibition Against Conflicts of Interest

EXHIBIT G

§ 92.356 Conflict of interest.

(a) Applicability. In the procurement of property and services by participating jurisdictions, State recipients, and sub-recipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, apply. In all cases not governed by 24 CFR 85.36 and 24 CFR 84.42, the provisions of this section apply.

(b) Conflicts prohibited. No persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to activities assisted with NSP3 funds or who are in a position to participate in a decision making process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a NSP3 assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter

(c) Persons covered. The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the COUNTY, State recipient, or sub-recipient which are receiving NSP3 funds.

(d) Exceptions: Threshold requirements. Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the NSP3 Investment Partnerships Program and the effective and efficient administration of the COUNTY's program or project. An exception may be considered only after the recipient has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(2) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(e) Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (d) of this section, HUD shall consider the cumulative effect of the following factors, where applicable:

(2) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;

(3) Whether the person affected is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(4) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision making process with respect to the specific assisted activity in question;

- (5) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (c) of this section;
- (6) Whether undue hardship will result either to the COUNTY or the person affected when weighed against the public interest served by avoiding the prohibited conflict;
- (7) Any other relevant considerations.

Owners/Participants and Developers.

- (1) No owner, developer, or sponsor of a project assisted with NSP3 funds (or officer, employee, agent or consultant of the owner, developer, or sponsor) whether private, for profit or non-profit (including a community housing development organization (CHDO) when acting as an owner, developer or sponsor) may occupy a NSP3 assisted affordable housing unit in a project. This provision does not apply to an individual who receives NSP3 funds to acquire or rehabilitate his or her principal residence or to an employee or agent of the owner or developer of a rental housing project who occupies a housing unit as the project manager or maintenance worker.
- (2) Exceptions. Upon written request of owner or developer, the COUNTY may grant an exception to the provisions of paragraph (f)(1) of this section on a case-by-case basis when it determines that the exception will serve to further the purpose of the NSP3 program and the effective and efficient administration of the owner's or developer's NSP3 assisted project. In determining whether to grant a requested exception, the COUNTY shall consider the following factors:
 - (i) Whether the person receiving the benefit is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted housing, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
 - (ii) Whether the person has withdrawn from his or her functions or responsibilities, or the decision making process with respect to the specific assisted housing in question;
 - (iii) Whether the tenant protection requirements of § 92.253 are being observed;
 - (iv) Whether the affirmative marketing requirements of § 92.351 are being observed and followed; and
 - (v) Any other factor relevant to the COUNTY's determination, including the timing of the requested exception.
