SUBJECT: Approve increase to existing Board and Care contract with Anka Behavioral Health, Inc.

BACKGROUND (continued):

In addition, the Board of Supervisors also authorized the Riverside County Purchasing Agent to continue to work within the Board approved aggregate when adding, increasing or decreasing contracts, but also required the department to come back to the Board of Supervisors for approval for any contract that exceeds \$100,000. Due to a recent increase in services provided by Anka Behavioral Health, Inc., a new Board and Care service provider added in FY 2010/2011, this provider's BPO contract will exceed the \$100,000 authority previously provided by the Board of Supervisors and now requires additional Board of Supervisors' approval.

Anka Behavioral Health, Inc. provides licensed Board & Care operations services to a 51 bed facility, which is County owned. The site is referred to as Milestones Board & Care Facility. All other licensed Board and Care facilities listed in Attachment "A" are privately owned and operated. Board and Care facilities are a less restrictive and less intensive licensed residential level of care for Mental Health clients. The purpose of this level of care is to provide eligible adult clients with a supervised and structured residential service resulting in the transition of clients into independent living.

The RCDMH, therefore, is requesting that the Board of Supervisors approve the BPO contract increase to Anka Behavioral Health, Inc. for FY 2011/2012; and authorize the Purchasing Agent to increase the combined aggregate amount to \$475,000 for the provision of all Board and Care BPO contract services.

PERIOD OF PERFORMANCE:

The increase to Anka's BPO contract amount for FY 2011/2012 will be effective from January 1, 2012 through June 30, 2012, and may be renewed annually through June 30, 2015. The County issued terms and conditions for each BPO allows for the termination of agreements and services upon the unavailability of funds and lack of performance by each provider.

FINANCIAL IMPACT:

Anka's BPO contract will be increased from \$100,000 to \$200,000 for FY 2011/2012. There are sufficient funds in the Department's budget to provide for this increase to Anka and the combined aggregate. No additional County funds are required.

PRICE REASONABLENESS:

The State Department of Social Services licenses these community-based residential programs and establishes payment rates. Since the Board and Care reimbursement rates are established by the State Department of Social Services, these rates are the lowest available. Due to the fact that there is no negotiation regarding the reimbursement rates, the RCDMH is requesting to enter into BPO contracts for these services without seeking competitive bids.
