**BACKGROUND:** King High Remembers is an annual event that brings veterans and high school students together to share their stories and record an oral history. The annual Friends of Scouting Program provides funds to those who cannot afford to purchase supplies or participate in events. IERSP is an annual reading contest which, to date, has 41 school sites and 4,000 student participants and these funds assist in providing scholarships and incentives. Soroptimist International of Perris Valley is developing a conference for middle school age children addressing social issues of the day. These funds improve the quality of life throughout the 5<sup>th</sup> district and I urge the Board to approve these uses of the Community Improvement Designation funds.
