BACKGROUND:

The Internal Revenue Service estimates that 25% of California's eligible EITC funds go unclaimed each year. EITC is recognized nationally as one of the most effective means to move low-income people out of poverty. Since 2004, CAP Riverside has coordinated Volunteer Income Tax Assistance (VITA) sites. Over 11,632 income tax returns have been completed, generating over \$15.7 million in tax refunds for low-income residents of Riverside County.

Again, this coming tax season, United Way and Bank of America are partnering with CAP Riverside by providing \$10,000 to expand the EITC outreach efforts within Riverside County. The funding will be utilized to cover the cost of 22,000 printed materials and advertising in key local newspapers throughout Riverside County.

FINANCIAL IMPACT: No County General Funds will be required.
