ATTACHMENTS FILED
 WITH THE CLERK OF THE BOARD

BACKGROUND:

On October 6, 2009, the Board of Supervisors approved a pre-qualified list of architectural and engineering firms to be retained on an as-needed basis. The Economic Development Agency (EDA) has selected STK Architecture, Inc. from the pre-qualified list to provide architectural and engineering design services for the expansion of the Smith Correctional Facility Safety Cells project.

With the addition of 582 beds in the Smith Correctional Facility Expansion 3 Project, the facility has an increase need for safety cells.

The bid documents are now complete and EDA requests approval to solicit bids for construction of this project. EDA will return to the Board under separate cover to approve the project budget and execute any related project agreements.

Sufficient funds are budgeted for FY 2011/12. All costs associated with this project will be funded by Sheriffs Department AB109, thus no net county costs will be incurred.
