BACKGROUND: March Joint Powers Authority is holding their 2012 Golf Tournament which benefits the March Air Reserve Base Air Fest. Access to the Future is holding their annual event honoring individuals who have distinguished themselves in service to families and students. Quail Valley Environmental Coalition is working on educational outreach and funding for the vital sewer system project. The Quail Valley Fire Station needs funds to make necessary repairs to the Volunteer Fire Hall. These funds improve the quality of life throughout the 5th district and I urge the Board to approve these uses of the Community Improvement Designation funds.
