RE: First Amendment to the Memorandum of Understanding between the County and the Regents of the University of California of Riverside
Date: March 28, 2012
Page 2

At this time, UCR is requesting the remaining \$5 million plus an additional \$10 million, for a total County commitment of \$20 million, be disbursed over a nine year period beginning July 2012. The distribution of the funds in installments will provide a stable revenue source for the medical school.

The mutually-beneficial relationship between UCR and the County, particularly the medical school, Riverside County Regional Medical Center (RCRMC) and the Department of Public Health family care clinics, may lead to quality of life improvements for County residents as well as provide an economic stimulus as the County recovers from the recession.

AMENDMENT NO. 1
TO THE MEMORANDUM OF UNDERSTANDING
BETWEEN UNIVERSITY OF CALIFORNIA, RIVERSIDE
AND THE COUNTY OF RIVERSIDE

The County of Riverside ("County") and the University of California, Riverside ("UCR") entered into a Memorandum of Understanding ("MOU") approved by County Board of Supervisors on June 7, 2011, committing \$10 million in funding to support the proposed UCR medical school.

The Parties now agree to amend the MOU as follows:

1. The text of Section II, Term of MOU, is deleted and replaced in full as follows:
 - a. The MOU is effective on the date of the final signature and will remain in effect until termination by mutual agreement of the Parties or by either Party providing thirty (30) days written notice to the other. The MOU may be modified at any time by written amendment signed by both Parties.
 - b. The County will be entitled to modify the MOU if the medical school is not opened by December 31, 2014.
 - c. Prior to the sixth installment payment by the County (as described in Section III), or earlier upon request by the County, UCR will submit a written report to the County updating the progress of the planned opening of the medical school.
2. The text of Section III, Payment, is deleted and replaced in full as follows:
 - a. The County agrees to provide a revised total of \$20 million to UCR in eleven (11) installments. The first installment of \$5 million was disbursed on June 9, 2011, pursuant to this MOU. The subsequent ten (10) installments of \$1.5 million each shall be disbursed beginning on or before July 1, 2012. The third installment shall be made on or before June 30, 2013, the fourth installment

on or before July 1, 2013; and, annually thereafter on or before July 1, with the final installment on or before July 1, 2020.

3. All other terms of the MOU shall remain unchanged and in effect.
