

**SUBMITTAL TO THE FLOOD CONTROL AND  
WATER CONSERVATION DISTRICT  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**FROM:** Supervisor John Tavaglione

**SUBMITTAL DATE:** April 10, 2012

**SUBJECT:** City of Norco Successor Agency Oversight Board appointee from the Riverside County Flood Control and Water Conservation District Board.

**RECOMMENDED MOTION:** That the Board of Directors of the Riverside County Flood Control and Water Conservation District appoint Frank Hall to represent the Board of Supervisors to the City of Norco Successor Agency Oversight Board for the Norco Redevelopment Agency as the special district representative.

**BACKGROUND:** On January 10, 2011, Governor Brown, as part of the statewide budget process, proposed the elimination of redevelopment agencies throughout California to be effective for Fiscal Year 2011-2012. The Governor's budget proposed stated that, while existing projects would not be affected, the \$1.7 billion that would have gone to redevelopment agencies would be shifted to the State General Fund to backfill the 2011-2012 budget. Future year redevelopment tax increment would be slated for school districts, special districts and other local services.

With the City of Norco identified as the Successor Agency, the City of Norco is required to have an Oversight Board. The Oversight Board shall consist of seven members, two of which are to be appointed by the County Board of Supervisors.
