RE: FY 2012/2013 Requested Budget for the Public Authority

**BACKGROUND (Continued):**

The Riverside County IHSS Public Authority also provides consumer input and policy development through the In-Home Supportive Services Advisory Committee.

The FY 12/13 requested budget anticipates a decrease of 1.11% in provider hours from FY 11/12.

This total proposed budget for FY 12/13 is estimated to be \$2,454,722, which is an increase of \$90,649 compared to the FY 11/12 budget. The total FY 12/13 budget increase is 3.83%, which is attributable to normal cost adjustments related to current staff.

With your Board's approval, this budget will be submitted to the California Department of Social Services (CDSS) for approval. CDSS will convert this budget into an hourly rate based on the number of service hours that will be rendered by individual providers to IHSS clients. We estimate that the hourly rate for administrative costs will be \$0.14 per hour of service provided, which with the slight increase in cost and decrease in hours, is a \$0.01 increase from the budgeted amount for the current year FY 11/12.

The funding ratios for the budget are as follows:

|         |               |
|---------|---------------|
| Federal | 49.00%        |
| State   | 20.77%        |
| County  | <u>30.23%</u> |
|         | <b>100%</b>   |

**FINANCIAL:**

The FY 12/13 County share is estimated to be \$741,959. Based on program expenditure plans for FY 12/13, a contribution from other funds of \$368,880 from the General Fund and \$373,079 from the Public Authority fund balance will be used to balance the FY 12/13 budget.
