BACKGROUND:

The Desert Friends of the Developmentally Disabled's We Care Dental program is designed to focus exclusively on the dental care needs of children and adults with developmental disabilities.

Safe House of the Desert is a 24 hour emergency shelter serving the needs of runaway and homeless youth in the Coachella Valley. It provides a crucial alternative to young people who have recently become homeless for a variety of reasons and are in need of a safe haven where they can access shelter, food, clothing, counseling, and education.

The Indio Rotary holds an annual Math Day so that students can get interested in math and to involve parents in their kid's education.

Urban Community Action Projects has partnered up with the Coachella Valley Rescue Mission to provide essential health care services to the homeless and underserved families negatively impacted by the poor economy.

The Junior Livestock Auction at the Colorado River Fair supports the local 4-H and FFA youth in the Paio Verde Valley.

I would like to use Fourth District Community Distribution Funds to support these worthy organizations
