The Honorable Board of Supervisors
Re: Ordinance No. 913.1 Amending Ordinance No. 913 Requiring Electronic Campaign
Finance Disclosure.
May 15, 2012

Following the adoption of Ordinance 913, it was discovered that language in Ordinance No. 913 exceeded state electronic reporting requirements. Ordinance No. 913 sets reporting thresholds for expenditures where the state does not set such thresholds. Additionally, Ordinance No. 913 requires individual donors or companies to become a committee and file semi-annual reports electronically once they give \$5,000 or more in a calendar year. These individuals and businesses would then have to continue filing even if they never gave another contribution.

Ordinance 913.1 amends Ordinance 913 to mirror the state electronic filing requirements by making the following changes:

1. Elimination of "Expenditure" to remove thresholds not required by the state.
2. Elimination of requiring individuals and businesses to form committees and file semi-annual reports once they make contributions exceeding \$5,000 as these contributions are already reported by the recipients.

Where Ordinance No. 913.1 amends a section by deleting, adding, or replacing language, only the specific section referenced in Ordinance No. 913.1 is being amended. Those sections not specifically referenced remain in effect.

Ordinance No. 913.1 is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15061(b)(3) as it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.
