

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor John Benoit

SUBMITTAL DATE:
May 23, 2012

SUBJECT: Sentinel Funds Application

RECOMMENDED MOTION: That the Board of Supervisors authorize the Director of Transportation and Land Management, Juan C. Perez, to submit applications for Sentinel Funds on behalf of the County and execute any needed documents for the Sentinel Grant Program.

BACKGROUND: The Air Quality Management District (AQMD) has issued a Request for Proposals soliciting applications for funding of projects that will result in emissions reduction in the Salton Sea air basin. These funds are being made available by Assembly Bill 1318, as mitigation offset using funds provided by CPV Sentinel, LLC. We have been successful in directing that the entire \$53 million be spent in the Salton Sea Air Basin portion within Riverside County.

This action authorizes Juan C. Perez, Director of Transportation and Land Management, to formally submit proposals on behalf of projects in the unincorporated County and to execute any documents necessary on behalf of the County to apply for, receive, and administer any funds that are received.
