deliver all the necessary road improvement projects identified and funded in the Transportation Improvement Program. The Board of Supervisors approved and executed an agreement between the County and Krieger & Stewart, Inc. on July 21, 2009 to provide the Transportation Department with the needed services. This amendment exercises the option in the agreement to extend the terms of the contract for the first of the two optional one-year extensions. The billing rates for the contract amendment remain the same as the original executed contract.

Krieger & Stewart, Inc. is currently assisting the Transportation Department with the design support and technical services for the resurfacing of Harley John Road (from 330 ft. northerly of Cajalco Road to 550 ft. southerly of Scottsdale Road), Lois Lane (northerly of Krameria Avenue), and Washington Street (Van Buren Boulevard to 850 ft. southerly of Mariposa Avenue). Krieger & Stewart is also providing design support services to construct a sidewalk project along Krameria Avenue (from Gardner Avenue to Gamble Avenue) in the Woodcrest area.

All associated contract costs will be funded using project funds. Thus, no net county costs will be incurred as a result of this contract amendment.

8 _____ day of _____, 2012, by and between the County of Riverside, a political subdivision of the State of
9 California (hereinafter the "COUNTY"), and Krieger & Stewart, Inc. (hereinafter "ENGINEER").

10 **RECITALS**

- 11 A. COUNTY and ENGINEER have entered in an agreement entitled "On-Call General Engineering Services
12 between County of Riverside – Transportation Department and Krieger & Stewart, Inc." that is dated July 21,
13 2009 (hereinafter the "Agreement"). The Agreement provides the terms and conditions, scope of work,
14 schedule and budget for the performance of professional and technical services necessary to provide on-call
15 engineering services.
- 16 B. Appendix B • Article BI establishes the time period for allowing work assignments to be authorized under the
17 original agreement. The terms and conditions specify that work assignment can be authorized until June 30,
18 2012 and that the authority to approve and execute work assignments can be modified through one-year
19 supplemental extensions. The agreement allows for two separate one-year extensions.

29 IN WITNESS HEREOF, the parties hereto have caused this Amendment to the Agreement to be duly executed
this day and year first written above.
