BACKGROUND:

On December 5, 2006, the Board of Directors approved and executed an agreement with Holt Architects for professional services, including design, and construction documents for the Mecca Boys and Girls Club Project.

This First Amendment to the Agreement represents the need for additional professional architectural services that will include legal descriptions and exhibits required for the creation of a legal lot for the project site and to provide additional services to close-out the project including final inspections for the Mecca Boys and Girls project site.

The original agreement with Holt Architects is an enforceable obligation as it was awarded on December 5, 2006, a date prior to the enactment of ABx1 26, the Assembly bill regarding redevelopment that were signed by Governor Brown on June 29, 2011, enacted by the California Legislature. The Agency obligated itself to cooperate with the consultant as appropriate to facilitate, without undue delay, the work to be performed under the construction agreement for the Mecca Boys and Girls Club Project, including but not limited to, construction inspection and administration as needed. The project budget, including sufficient contingency amounts to cover this amendment, was reflected on the Initial Recognized Obligation Payment Schedule (IROPS)

Agency Counsel has reviewed the attached First Amendment to the agreement and approved it as to form, and staff recommends that the Board of Supervisors approve the recommended motions.
