4. Authorize and allocate the sum of \$12,410 to temporarily acquire a portion of Assessor's Parcel Number 142-160-023 and \$16,900 to pay all related transaction costs.

BACKGROUND:

The Riverside County Transportation Department (RCTD) proposes to replace the existing Magnolia Avenue/Burlington Northern Santa Fe (BNSF) at-grade railroad crossing in the community of Home Gardens in order to improve safety and traffic operations by eliminating the conflicts of trains passing through the flow of vehicular traffic (Project).

The Project would construct a new four-lane overhead bridge over the existing BNSF tracks, above the entire BNSF right-of-way. The total length of the improvements would extend from approximately 500 feet west of Lincoln Street to approximately 550 feet east of Buchanan Street. The new bridge would be striped for four lanes of traffic on Magnolia Avenue. The length and clearance of the proposed bridge structure would accommodate the existing skewed railroad crossing, as well as the two existing railroad tracks and two additional future tracks (planned separately from this Project), and would also provide space for frontage roads (proposed as part of the project).

The California Environmental Quality Act (CEQA) environmental determination (Statutory Exemption) Public Resources Code 21080.13 was approved on May 11, 2011 by the Riverside County Transportation Department.

The National Environmental Policy Act (NEPA) environmental determination (Categorical Exclusion) Section 6004: 23 CRF 771.117(d)(3) was approved on May 11, 2011 by District 8 Division of Environmental Planning for the California Department of Transportation.

The Economic Development Agency/Facilities Management (EDA/FM) has negotiated the temporary rights of a portion of Assessor's Parcel Number 142-160-023 with Heitman Holdings, Inc., a California corporation for the price of \$12,410. There are costs of \$16,900 associated with this transaction.

This Form 11 has been reviewed and approved by County Counsel as to legal form.

FINANCIAL DATA:

The following summarizes the funding necessary for the temporary construction easement of a portion of Assessor's Parcel Number 142-160-023:

Temporary Construction Easement:	\$12,410
Estimated Title and Escrow Charges:	\$ 0
Preliminary Title Report:	\$ 400
County Appraisal:	\$ 4,500
EDA/FM Real Property Staff Time:	\$12,000
Total Estimated Acquisition Costs:	\$29,310

(Continued)

FINANCIAL DATA: (Continued)

EDA/FM has already covered the costs for due diligence (appraisal and preliminary title report) and will be or has been reimbursed by the Transportation Department. The remaining costs will be paid directly by the Transportation Department. All costs associated with this property acquisition are fully funded in the Transportation Department's budget for FY 2011/12. Thus, no additional net county cost will be incurred as a result of this transaction.
