The Jurupa Sports Complex - General Rules

The following rules are enforced to maintain a safe and fun environment for all of our guests:

- No teams are permitted to practice on sports fields without booking through the Riverside County Regional Park and Open-Space District.
- Smoking or consuming alcohol on or around County fields is prohibited. Violators risk losing future access to all sports fields.
- Credits for rainouts or cancellations will be honored. For cancellations made by seasonal user groups, 24 hours advance notice is required.
- Weekend request for field bookings received after 5:00 pm on the Thursday prior cannot be guaranteed.
- Only recreation vehicles and authorized maintenance employees are permitted to work on fields.
- Tampering with lighting or other County-owned equipment is prohibited.
- Any group misusing the fields, causing public disturbance or harassing staff will be suspended from any further play on County facilities and all fees will be forfeited.
- During any tournament play field maintenance crews must be given clear access to fields to carry out their duties. Players must leave the playing area. Failure to do so could mean loss of field privileges.
- Site rules and guidelines are subject to review and approval by the General Manager as needed to appropriately maintain and operate soccer complex.

13.0 New Business – Action

- 13.1 Regional Park & Open-Space District Use Fees FY 2012- 2013
Brandi Hune, Bureau Chief
Job Code: 2012-9

BC Hune gave an overview of the requested changes, outlined as Amendment to Resolution 2011-5, summary of Proposed Changes, Exhibit 1. These changes coincide with the Strategic Plan process.

Main fee changes were to: holiday and special events; service charges, deposits and refunds; adjustments to Lake Skinner Recreation Area fees to coincide with those currently charged at Rancho Jurupa Park. A rate reduction will be done at the Cove Water Park for 31” to 35” individuals as they can’t access all of the amenities offered due to size.

Vice Chair Connerton mentioned that the economy should be taken into consideration. He asked if these charges were done to recover costs.

Commissioner Thomas suggested that the cancellation fees be done by a sliding time scale, i.e., the closer to the date, the more expensive to cancel. BC Hune will note this.

M/S/C Connerton, Cody

The Commission reviewed and approved the requested changes to the current Regional Park & Open-Space District’s Use Fees Schedule 2011/2012, Resolution 2011-5 as outlined on Exhibit 1 for the proposed Use Fees Schedule for FY 2012-2013, Resolution 2012-1, and will forward its recommendation to the Board of Directors.

- 13.2 Enter into a Memorandum of Understanding for the El Casco Regional Park with the Riverside Land Conservancy
Scott Bangle, General Manager
Job Code: 2012-10

Commissioner Cody recused himself from this action at 10:15 a.m.

GM Bangle noted that this item came before the Commission on January 3, 2008 for a proposal to build a regional park in San Timoteo Canyon area. There was a land swap and other adjustments being asked for at the time. The ultimate goal was to partner with State Parks and Riverside Land Conservancy (RLC) for a regional park in that area. Since that time, RLC has been actively acquiring lands. RLC would like this commitment to build a regional park in writing by way of an MOU. GM Bangle mentioned that the MOU shows that the Park District is still interested provided the economy changes.

Chair Grady read an e-mail from Robert Pippi, El Casco LLC, 4075 Mission Inn Avenue, Riverside, CA 92501, 951/788-0670, dated February 24, 2012 that stated:

Residents of El Casco Lakes

Please be advised that El Casco LLC has retained a contractor to drill a new well for domestic water service at El Casco Lakes. Construction of the new well, including hooking it up to the existing water distribution system, is planned to begin the week of February 27th and is expected to be complete by March 6th. Your domestic water service may occasionally be interrupted during the hookup phase of the project; any interruption in service is expected to be brief. We will do our utmost to minimize service interruptions as we make the improvements to your water system.

Dept's Recomm.:
 Per Exec. Ofc.:

SUBJECT: Resolution 2012-1, Use Fees for the Riverside County Regional Park & Open-Space District, effective July 1, 2012

BACKGROUND:

The policy requires a resolution for establishment of rates and an annual review by the District Advisory Commission. On June 7, 2011, by Minute Order 13.1, your Honorable Board approved District Resolution 2011-5, revising the fiscal year 2011-2012 use fees effective July 1, 2011.

The proposed use fees for FY 2012-13 reflect fee increases made necessary to cover expenses and coincide with the District Strategic Plan process. Main fees changes were to holiday and special events, service charges, and an adjustment to Lake Skinner Recreation Area fees to coincide with those charged at Rancho Jurupa Park for like services. A rate reduction was also done at the Cove Water Park for individuals who are 31" to 35" in height as they can't access all of the amenities offered due to the height restriction.

The changes incorporated into Resolution 2012-1 have been reviewed and approved by the District Advisory Commission at its meeting on March 1, 2012.

It is requested that your Honorable Board approve said changes and adopt Resolution 2012-1, Use Fees for the District effective July 1, 2012.
