BACKGROUND:

The Coachella Valley Association of Government (CVAG) addresses issues affecting valley-wide significance and has a history of being the lead agency on a variety of projects important to the Coachella Valley. In that capacity, CVAG has facilitated policy and planning to address homelessness in the valley and has provided administrative oversight of Roy's Desert Resource Center, which opened on December 22, 2009.

At this time, DPSS is requesting approval to continue to contract with CVAG as the lead contract administrator of Roy's Desert Resource Center, a "one-stop" multi-service shelter that provides housing (up to 120 emergency shelter beds for the homeless) and supportive services to the homeless and individuals at risk of homelessness in the western Coachella Valley.

PRICE REASONABLENESS:

All funding provided through this contract is passed through to the agency providing the emergency housing and supportive services at Roy's Desert Resource Center. The funding amount recommended at this time is \$600,000 which reflects the funding level included in the FY 12/13 proposed budget.

In order to ensure that each emergency shelter operator can continue to deliver services as of July 1, 2012, we are recommending that contracts be executed based on the funding level approved in the Proposed Budget, which is recommended for allocation as follows:

Shelter	FY 11/12 Budget	FY 12/13 Recommended Allocation
Riverside Emergency Shelter*	\$196,500	\$196,500
Riverside Family Shelter	\$400,001	\$230,000
Valley Restart	\$50,000	\$50,000
Coachella Valley Rescue Mission	\$129,698	\$72,711
Roy's Desert Resource Center	<u>\$1,274,543</u>	<u>\$600,000</u>
Total	\$2,050,742	\$1,149,211

*The Riverside Emergency Shelter has dedicated funding from the City and the FEMA EFSP Board of \$185,083.

The Contract with CVAG requires Board approval; however, based on the current approved terms and conditions, the Purchasing Agent is authorized to execute the contracts with the other shelter providers.

DPSS has recently identified some current year savings within the homeless budget that will be reallocated to support the emergency shelters in FY 12/13. We are in the process of developing recommendations for the allocation of these funds and will bring those forward under a separate Board letter for formal consideration.

FINANCIAL:

100% County General Fund. The total Agreement amount is \$600,000 and is included in the FY 12/13 DPSS budget.

Agreement HO-2459
Sole Source Justification

Date: April 16, 2012
From: Susan Loew, Director of the Department of Public Social Services
To: Board of Supervisors/Purchasing Agent
Via: Purchasing Agent
Subject: Request for a Sole Source Procurement for (Coachella Valley Association of Governments)

The below information is provided in support of the Department of Public Social Services requesting approval for a sole source. Outside of a duly declared emergency, the time to develop a statement of work or specifications is not in itself justification for a sole source.

1. Supply/Service being requested:

DPSS is requesting to be authorized to contract with Coachella Valley Association of Governments – Administrator of Roy's Desert Resource Center – to assist in offsetting the cost of operations, information technology, transportation, supportive services and administration.

2. Supplier being requested:

Coachella Valley Association of Governments (CVAG) provides administrative oversight for Roy's Desert Resource Center in North Palm Springs through a sub-contractor who operates the facility.

3. Alternative suppliers that can or might be able to provide Administrative oversight:

Currently we are not aware of any other body of Government in the Coachella Valley that would be willing to act as the administrator of Roy's Desert Center through a sub-contract operator.

4. Extent of market search conducted:

In preparing to contract with Coachella Valley Association of Governments for administrative oversight of Roy's Desert Resource Center in the 4th District of the County, DPSS conducted research as to potential Administrators within the Riverside Continuum of Care (CoC), utilizing the following:

1. Riverside County Consolidated Plan (1999-2004)
2. Previous RFP responses (FY 2007-08)
3. City funding allocations for emergency shelters
4. Riverside County Homeless Count and Survey (2007 and 2009)
5. Riverside County 10-Year Plan to End Homelessness (2007-2017)
6. Coachella Valley's Association of Governments' (CVAG) Strategic Plan to End Homelessness (2007-2012)
7. Emergency Food and Shelter Program
8. California Care Network Database (www.calcarenet.ca.gov)
9. Riverside County Housing Inventory (2010)
10. 2-1-1 Riverside County Community Services Directory

5. Unique features of the service being requested from this vendor, which no alternative vendor can provide:

For this project, the unique features to be provided to DPSS are:

Coachella Valley Association of Governments

1. Provide administrative oversight via a sub-contract operator for Roy's Desert Resource Center Emergency Shelter;
2. Act as a liaison between the sub-contractor and DPSS;
3. Act as a liaison between the Coachella Valley city governments and the sub-contractor;
4. Ensure the sub-contractor is meeting all contractual obligations for providing Emergency shelter services;
5. Provide all administrative oversight duties free of charge to DPSS.

6. Reasons why the Department of Public Social Services requires these unique features and what benefit will accrue to the county:

1. In October 16 2007, Agenda Item 3.40, the Riverside County Board of Supervisors adopted the Riverside County 10-Year Strategy to End Homelessness to reflect a Continuum of Care that works to meet the needs of all episodically, transitionally, and chronically homeless persons and to break the cycle of homelessness;
2. Emergency shelters provide an immediate and safe alternative to sleeping on the streets, especially for homeless families with children;
3. Emergency shelters are a gateway for a homeless person to reach self-sufficiency, as the goal of emergency shelters is to transition homeless individuals into transitional housing (up to 24 months) and eventually into more permanent housing;
4. According to the 2009 Riverside County Homeless Count, 618 (or 18%) of the County's homeless population (3,366) were found in emergency shelters;
5. According to the 2009 Riverside County Homeless Survey, the three (3) most commonly used services by homeless persons living in Riverside County are: meals, bus passes, and emergency shelter.

7. Price Reasonableness:

CVAG, is willing to continue providing Administrative Oversight of Roy's Desert Resource Center for a cost not to exceed \$600,000 which is passed through in its entirety to the sub-contractor for operational expenses.

Price Comparison

In a report titled, "Destination Home: A Strategic Guide to the Development of Homeless Housing in Riverside County," Public Consulting Group, Inc. conducted a study of Riverside County's housing and supportive services for the homeless in FY 2006-07.

Detailed in section 3 of the report are all-inclusive bed night rates that were developed using locally available information as well as interviews with DPSS, the Riverside County Department of Mental Health, Riverside County Economic Development Agency, and legislative team members for all five (5) districts, among others. A break down of all-inclusive bed night rates, based on homeless shelter capacity is below.

CVAG is the only organization that is willing to provide administrative oversight of Roy's Desert Resource Center with no cost to the County. DPSS desires to assist CVAG in the funding required for the coordination and oversight of emergency housing and supportive services at Roy's Desert Resource Center in an amount not to exceed \$600,000.

Based on the price comparisons referenced above, DPSS is confident that the pricing is reasonable and at fair market value for the services that would be provided by Coachella Valley Association of Government.

8. Does moving forward on this product or service further obligate the county to future similar contractual arrangements?

No, moving forward with this service does not further obligate the County to future similar contractual arrangements.

9. Period of Performance:

The period of performance will be from July 1, 2012 through June 30, 2013.
