SUBMITTAL TO THE BOARD OF SUPERVISORS, COUNTY OF RIVERSIDE, STATE OF CALIFORNIA
FORM 11: Acceptance of a Criminal Restitution Compact Renewal Agreement from the California Victim Compensation and Government Claims Board and Adoption of Resolution 2012-135.

DATE: June 14, 2012

PAGE 2

BACKGROUND:

In the state of California every offender convicted of a felony or misdemeanor is required to pay a restitution fine. All restitution fines paid by offenders go to the Restitution Fund that supports the Victims of Crime Compensation Program (VCP) and is administered by the California Victim Compensation and Government Claims Board. The Restitution Fund through the VCP provides upfront financial assistance to victims of violent crimes for losses incurred as a result of the crime.

Victims, who have incurred losses as a direct result of a crime, have the right to ask the court to order an offender to pay restitution. The court will impose a restitution order to cover actual crime related expenses incurred by the victim. If the victim has received an award from the VCP to cover some or all of their losses, the judge will require the offender to repay the VCP for that amount in order to replenish the Restitution Fund.

In order to improve California's criminal restitution system, increase the imposition rate of criminal restitution fines and orders, ensure financial stability to the Restitution Fund, and provide the county with a criminal restitution resource, the VCGCB approached the Riverside County District Attorney's Office in late 2006 to enter into a criminal restitution compact.

In the past, funding was allocated to two paralegals and one Legal Support Assistant. However, for FY13, the Riverside County District Attorney's Office has adopted a new staffing model for the Criminal Restitution Program in order to increase productivity and improve unit efficiency.

This agreement will fund three Office Assistants II positions and a Legal Support Assistant II. These positions will assist the prosecuting attorney to ensure that restitution fines are imposed on all convicted offenders and that appropriate restitution orders are imposed in all cases involving a victim who files a claim with the VCGCB wherein monies have been paid or are expected to be paid on behalf of the victim from the Restitution Fund. In addition this staff will assist the prosecuting attorney to ensure appropriate fines or fees are imposed in cases where the offender's sentence includes a period of parole or probation, or the offenders are diverted. These funded positions will serve as restitution specialists and a resource on restitution issues.

The grant award and resolution have been reviewed and approved as to form by County Counsel.

 - ii. Restitution fines on all convicted offenders;
 - iii. Parole revocation restitution fines in all cases in which the offender receives parole;
 - iv. Diversion restitution fees for all diverted offenders; and
 - v. Probation revocation restitution fines in all cases in which the offender's sentence includes a period of probation.
- b. The Specialist shall be an employee of the District Attorney's Office, preferably at a level equivalent to a paralegal or above.
- c. The Specialist shall report to a supervisor designated by the District Attorney, preferably an Assistant or Chief Deputy District Attorney.

- e. The Specialist shall have access to the necessary court records to monitor cases associated with any applications filed with the CalVCP as they proceed through the criminal or juvenile justice system. The Specialist must contact the VCGCB's Restitution Analyst immediately with specific information to prevent any potential overpayments as a result of an incorrect award, if it is discovered that the victim or derivative victim is no longer eligible as defined under Government Code Section 13956:
 - Participation in the crime;
 - Involvement in the crime;
 - Lack of cooperation with law enforcement or the CalVCP;
 - Felon.
- f. When the Specialist receives notice that a victim or derivative victim has filed for CalVCP assistance prior to the associated offender being sentenced, the Specialist shall determine the amount of assistance granted by the VCP, if any, and any other information necessary from the VCGCB's application processing system, and provide this information to the District Attorney's Office for the purpose of obtaining a board or victim restitution order (see Exhibit A - 1a).

EXHIBIT A
SCOPE OF WORK

- g. The District Attorney shall submit the CalVCP payment information (initial and subsequent), as described under Exhibit A.1a, to the court and request that the court impose one or more of the following, as appropriate: a restitution fine; a diversion restitution fee; a probation revocation restitution fine; a parole revocation restitution fine; a restitution order for an amount equal to that which the CalVCP has paid on the associated claim(s); a restitution order for an amount "to be determined" (if the CalVCP has not made a payment on the associated claim(s)); and/or a diversion restitution fee.
- h. If a case is forwarded to the probation department for completion of a pre-sentence investigation (PSI) report, the Specialist shall provide the CalVCP payment information and request that the probation department include the information in its PSI.
- i. The Specialist shall enter into the VCGCB's computer systems (CDTS (Criminal Deposition Tracking System)/CaRES(Compensation and Restitution System)) the final disposition status of juvenile and adult criminal cases associated with applications filed with the CalVCP within thirty (30) calendar days of the judge imposing the restitution order and fine.
- j. After sentencing has occurred, the Specialist is required to ensure that the court's final decision (per the CR-110s and/or Minute Orders) is forwarded to the California Department of Corrections and Rehabilitation, Office of Victim and Survivor Rights' and Services (CDCR-OVSS) or the local collection entity. The Specialist shall provide a quarterly report to the VCGCB's Restitution Section on the status of imposition of restitution orders and fines associated with CalVCP applications.
- k. The Specialist shall monitor, in the VCGCB's computer systems (CDTS and CaRES), CalVCP applications associated with restitution orders imposed for an amount "to be determined" (TBD). The Specialist shall monitor TBD restitution orders via their Criminal Disposition (CD) cases in the Post-Disposition Follow-Up (PDFU). The Specialist shall provide a copy of the notification to the VCGCB. The VCGCB shall assist the Specialist and other appropriate District Attorney staff in preparing to take cases back to court for modification. - l. The Specialist shall respond to the VCGCB Probate Analyst on probate-related matters within five (5) business days of a request for information.
- m. The Specialist will cooperate with CDCR in the modification of board and victim orders.
- n. The Specialist shall notify the VCGCB's Restitution Analyst, upon discovery, that the victim has filed a civil suit, vehicle insurance claim, Workers' Compensation or has received another type of reimbursement that could be used to offset any losses that the victim or derivative victim may have as a direct result of the crime.
- o. The Specialist shall respond to the VCGCB's Custodian of Records on restitution-related matters within five (5) business days of the request.
- p. The Specialist shall facilitate contact, provide training, and attend meetings between the county collection entity(ies) to discuss ways of ensuring the collection of, as well as increasing the

SCOPE OF WORK

collections of, restitution orders and fines. This may include placing liens on any property owned by the offender and/or wage garnishments.

- q. The Specialist shall serve as a county resource on restitution issues.
- r. The Specialist must dedicate 100% of his or her time performing the work (described in Exhibit A.1a –A.1r) that is directly related to the imposition and collection of restitution orders. The Specialist shall document his or her activities by using regular time and attendance records in a format approved by the VCGCB. These records shall be forwarded to the VCGCB on a monthly basis in an electronic format prescribed by the VCGCB by no later than the 15th of the following month. This documentation is necessary for the VCGCB to be reimbursed for restitution activities from the administrative cost portion of the VCGCB's VOCA grant. Costs for providing information technology equipment (as defined in State Administrative Manual Section 4819.2) including input and output devices with software as well as monthly maintenance fee and installation, as deemed necessary by the VCGCB, shall be provided and/or reimbursed by the VCGCB. Specifically, if the VCGCB purchases equipment, then the VCGCB will configure, install, and provide support for equipment and operating software. If the District Attorney purchases equipment, then the District Attorney is responsible for its own configuration, installation, and support of those purchases, which may involve the purchase of a maintenance service contract with the vendor. The District Attorney is responsible for budgeting dollars through this contract to cover those support and/or maintenance service contract costs. The VCGCB is not a party to such contract.

All equipment purchased or reimbursed under this contract, regardless of whether the VCGCB or the District Attorney purchased it, shall be the property of the VCGCB and shall be identified with a state identification number. The District Attorney's Office shall ensure that expenses classified as "direct cost" are not included in the "indirect cost" or "overhead" category. Indirect costs are those costs that are incurred for a common or joint purpose or a cost that is not readily assignable to a specific operating expense line-item. The VCGCB reserves the right to deny any expenses that are deemed ineligible by the state.
- b. The District Attorney's Office shall submit, at the request of the VCGCB, a copy of the indirect cost allocation plan demonstrating how the indirect cost rate was established. All costs in the following categories/subcategories should be included if they were necessary to perform the services under this agreement and provided for in the budget. The total for each category/ subcategory should be shown in the far right column.

Personnel Services - Salaries and Wages

List each employee by name and position classification and show the percentage of time devoted to the program. Example: If the person is employed full-time, show the following: \$2,500 per month at 100% time = \$2,500. If the person is employed part-time, show the hourly rate and the number of hours devoted to the program (e.g., \$25/hour for 10 hours per month = \$250) or the monthly salary and the percentage of time devoted to the program (e.g., 50% x \$2,500 = \$1,250).

Fringe Benefits

Elements that can be included in the fixed rate include employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance and/or pension plans. Other benefits, if negotiated as a part of the employee benefit package, also may be included in the fixed rate.

The description and amounts of fringe benefits can be displayed either by category, position or class. Please note that a line item can be used for each different position/class, if the benefits vary. If several people are employed full-time or part-time in the same position/class, provide the number of full-time equivalents.

Operating Expenses

The following items fall within this category: rent, utilities, insurance, equipment rental, equipment repair, office supplies, telephone, postage, expendable equipment, overhead, data processing, training and travel. All items submitted must include a description or explanation of the expense.

The following subcategories have special requirements as noted below.

Rent

The rent subcategory is for facility rental. Indicate the number of square feet specified in the agreement as well as the rental amount.

All requests must be submitted on the *Equipment Purchase Justification/Authorization Request* form. Further, the Board reserves the option of not reimbursing for equipment that is not requested and approved in writing prior to purchase.

Overhead costs are costs necessary to the operations specified in the agreement. The costs of centralized County services such as personnel or accounting services are examples of indirect costs. For further information, please refer to Exhibit D.6.
