to receive deposits and interest thereon from Zone 166 of Landscaping and Lighting Maintenance District No. 89-1-Consolidated; in accordance with Section 22655-22656 of the Streets and Highways Code.

BACKGROUND: On June 19, 2012, a public hearing was held to receive all testimony regarding the annexation of Zone 166 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C"). After closing the public hearing, the Board directed the Director of Transportation, or his/her designee, to tally the assessment ballots that had been received prior to the close of the hearing. The assessment ballots were to be tabulated on June 20, 2012 at 10:00 a.m. in Conference Room C on the 8th Floor of the County Administrative Center. The tabulation shows that votes representing 2 parcels out of a possible 2 were cast, and that 2 votes (or 100%) were cast in favor of the annexation of Zone 166 to L&LMD No. 89-1-C and the levy and enrollment of the special assessment.

The proposed budget for fiscal year 2012-13 for Zone 166 (within public rights-of-way located southwesterly of Harrison St) is \$444, that will result in an assessment for fiscal year 2012-13 within Zone 166 of \$319.54 per acre. Zone 166 includes 2 commercial parcels, totalling 1.39 acres. For the fiscal year in which the future median improvements on Harrison St are completed, the annual assessment may be increased by \$1,361.64, which when added to the assessment for streetlights will result in an aggregate assessment of \$1,681.20 per acre, adjusted for inflation. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U, if any, as it stands as of March of each year over the base index for March of 2012.

Adoption of Resolution No. 2012-161 confirms the assessment levy as indicated in the Engineer's Report for fiscal year 2012-13 for Zone 166 of L&LMD No. 89-1-C and orders the placement of the annual assessment on the County's Assessment Roll for fiscal year 2012-13.
