3. The owner be ordered to ascertain the existence or non-existence of asbestos containing materials in said structures by survey and materials sample testing through the Industrial Hygiene Specialist of the County Health Department, Division of Special Services; and, prior to the abatement ordered in paragraph number two (2) above, to secure the removal and disposal of all asbestos containing materials discovered through such survey and testing by contract with a duly certified and licensed contractor for the handling of such materials to avoid citations and/or fines imposed by the South Coast Air Quality Management District (SCAQMD) pursuant to SCAQMD Rule No. 1403.

4. The accumulation of rubbish on the real property located at 63137 Jeraboa Road, Mountain Center, be declared a public nuisance and a violation of Riverside County Ordinance No. 541 which does not permit the accumulation of rubbish on the property.

5. Theresa Kay Needham, the owner of the subject property, be directed to abate the accumulation of rubbish on the property by removing and disposing of the same from the real property within ninety (90) days

6. If the owner of the real property does not take the above described action within ninety (90) days of the date of the Board's Order to Abate, that representatives of the Code Enforcement Department, Sheriff's Department, and/or a contractor, upon consent or receipt of a Court Order authorizing entry onto the real property when necessary under applicable law, may abate the substandard structures and accumulation of rubbish by removing and disposing of the same from the real property.

7. The reasonable costs of abatement, after notice and an opportunity for hearing, shall be imposed as a lien on the real property, which may be collected as a special assessment against the real property pursuant to Government Code Section 25845 and Riverside County Ordinance No. 725.

8. County Counsel be directed to prepare the necessary Findings of Fact and Conclusions that the substandard structures and accumulation of rubbish on the real property is declared to be in violation of Riverside County Ordinance Nos. 457 and 541, and constitutes a public nuisance. Further, County Counsel shall prepare an Order to Abate for approval by the Board.

BACKGROUND:

1. An initial inspection was made of the subject real property by the Code Enforcement Officer on May 26, 2011.
2. The inspection revealed four substandard structures (shed, two residences and a tree house accessory structure) on the subject real property in violation of Riverside County Ordinance No. 457. The substandard conditions of the structures included, but were not limited to the following: hazardous wiring, lack of adequate heating facilities; defective or deteriorated flooring or floor supports; members of walls, partitions or other vertical supports that split, lean, list or buckle due to defective material or deterioration; members of ceilings, roofs, ceiling and roof supports or other horizontal members which sag, split or buckle due to defective material or deterioration; dampness of habitable rooms; faulty weather protection; general dilapidation or improper maintenance; fire hazard; abandoned, vacant, public and attractive nuisance; graffiti. The inspection also revealed the accumulation of rubbish (approximately 16,900 square feet) on the subject property in violation of Riverside County Ordinance No. 541. The accumulation of rubbish consisted of, but was not limited to the following materials: used wood, scrap metal, household appliances, plastics, household trash, two metal tanks and tires.
3. Subsequent inspections of the above-described real property on July 6, 2011, October 1, 2011, November 30, 2011, December 23, 2011, January 31, 2012, February 27, 2012, March 28, 2012, April 25, 2012 and May 15, 2012, revealed that the property continues to be in violation of Riverside County Ordinance Nos. 457 and 541.
4. Staff and the Code Enforcement Department have complied with the requirements set forth in the appropriate laws of this jurisdiction pertaining to the Administrative Abatement Proceedings for substandard structures and accumulation of rubbish.
