BACKGROUND: Government Code § 25845, Riverside County Ordinance Nos. 457 and 725 authorize the recovery of abatement costs in public nuisance cases, the recordation of a notice of abatement lien and inclusion of abatement costs on the tax roll as a special assessment upon approval of the Board of Supervisors.

Multiple Notices of Violation and Administrative Citations were issued. Subsequently, on or about December 7, 2011, the case was closed with the violation remaining. Accordingly, the County of Riverside Code Enforcement Department seeks to recover its costs associated with the handling of this matter to date, but does not waive its right to recover costs for future enforcement actions.

The Notice of Hearing re Statement of Abatement Costs has been posted on the property and mailed to the property owner and all interested parties, as required by law. Copies of all relevant notices issued in this matter together with proof of service and posting have been separately filed with the Clerk of the Board and are made a part of the record herein, pursuant to Riverside County Ordinance 725.
