MIRA LOMA BEACH STREET

STAGE 1

1-0-00137

Mira Loma Beach Street Storm Drain, Stage 1 consists of approximately 6800 feet of an underground storm drain, inlets and outlet work. The project will be located in the incorporated residential area of Mira Loma located in the city of Jurupa Valley of northwestern Riverside County. Most of the project will be located in road right of way, except for the outlet works and the portions located within drainage easements. The project site is located along Beach Street between 59th Street and 53th Street, along Rutile Street, 54th Street and will end at Cedar Street.

NOTICE TO CONTRACTORS

Riverside County Flood Control and Water Conservation District hereinafter called "District", invites sealed proposals for construction of:

Mira Loma – Beach Street Storm Drain, Stage 1

Project No. 1-0-00137-01

located in the city of Jurupa Valley

Riverside County, California

Specifications and Contract Documents may be examined at the District's office at 1995 Market Street, Riverside, California, and may be obtained upon payment to District of **\$60.00** per set, received at the District's office and **\$65.00** per set if mailed. The Specifications and Contract Documents are also offered on CD-ROM for \$10.00 received at the District's office and \$15.00 if mailed. No refund.

Each proposal must be accompanied by a certified or cashier's check or bid bond equal to ten percent (10%) of the amount bid, payable to the Riverside County Flood Control and Water Conservation District as a guarantee that the Contractor will, if awarded the contract, execute a satisfactory contract and furnish the required bonds and proof of insurance.

Proposals must be in accordance with the instructions and filed with District by **11:00 a.m. on Thursday, August 30, 2012** at the District office at the above address which time and place are fixed for the public opening of bids.

General prevailing rate per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed for execution of contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the

Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

Contractors submitting proposals for this project shall have an "A" Contractors license from the State of California in order to be considered eligible for the contract award.
