**SUBJECT:** Professional Service Agreement for the Riverside County HealthCare (RCHC) Pharmacy Services

**RECOMMENDED MOTION: (continued)**

- 4) Authorize the Purchasing Agent, in accordance with Ordinance No. 459, to exercise renewal options, based on the availability of fiscal funding, and to sign amendments that do not change the substantive terms of the agreement, including amendments to the compensation provision that do not exceed ten percent of the annual amount based on increased volume.

**BACKGROUND:**

The Department of Health Care Services (DHCS) released program applications for all eligible entities to participate in the Low Income Health Program (LIHP), which provides entities the opportunity to help build the bridge to health care reform in 2014. The LIHP consists of the Medicaid Coverage Expansion (MCE) and the Health Care Coverage Initiative (HCCI) programs. These programs provide health care benefits to eligible persons in accordance with the Welfare & Institutions Code (WIC) Section 15909 - 15915 (Chapter 723, Statutes of 2010, Assembly Bill 342), and the Special Terms and Conditions (STCs) of the federal section 1115 (a) California Bridge to Reform Demonstration. To meet the requirements of participation for this program various departments of the County, including the Community Health Agency/Department of Public Health, Department of Mental Health, Department of Public Social Services, Riverside County Regional Medical Center and the Office on Aging, have combined their resources to ensure that the County has a financially viable model for an integrated, quality, responsive, patient-centered health care system meeting the needs of county residents. These departments have partnered with Inland Empire Health Plan (IEHP) as a third party administrator in administering the service which implements the requirements of LIHP. Through this collaboration partnership, the requirements for the LIHP were developed and incorporated for Riverside County HealthCare (RCHC). RCHC is Riverside County's new health care program to help bridge to the health care reform in 2014. Patients eligible to participate in RCHC will have the opportunity to receive services through specific referrals. RCHC expects approximately 35,000 eligible participants/patients to participate in the health care program.

On behalf of RCRMC, County Purchasing released a Request for Proposal (RFP #MCARC166), to secure pharmaceutical services for RCHC. Solicitations were sent to three specific prospective vendors specializing in these services and advertised on the County's Internet/Website. One proposal was received however, was determined not responsive to the RFP requirements therefore, no awards were recommended as a result of RFP MCARC166.

Mecca Pharmacy and Blythe Drug are both located in the desert area within Riverside County- where most RCHC patients residing in nearby areas have difficulty driving to RCRMC to pick up prescriptions. This specific service would provide for first fill prescription services and subsequent prescriptions would be filled by RCRMC pharmacy via mail order for the convenience of the clients and to control costs. However, there are some medications that cannot go through mail order (controlled substances and certain medications which require refrigeration) therefore, those will continue to be filled by these outsource pharmacies. To help ease pick up for first fill prescriptions and other pharmacy services for RCHC patients residing in these remote areas of Riverside County, contracts with these vendors were established specifically for the RCHC program.

**SUBJECT:** Professional Service Agreement for the Riverside County HealthCare (RCHC) Pharmacy Services

Because of the limited time period of the RCHC program which ends December 31, 2013, and the requirements to provide a full scope of health care services to RCHC members throughout the entire County for members with limited resources for travel, these services were not again competitively bid. The RCHC Governing Board provided direction to contract at Medi-Cal rates of reimbursement or equivalent to with vendors interested in working with the RCHC program and amenable to receiving rates equivalent to or at Medi-Cal rates.

**PRICE REASONABLENESS:**

Rates are equivalent to and not to exceed Medi-Cal allowable rates of reimbursement.

**FINANCIAL IMPACT:**

Funding for this service is 50% Low Income Health Program and 50% Hospital Enterprise Fund.

**22.2** Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

**22.3** In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

**22.4** CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.

The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

**22.7** The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

**22.8** CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations. CONTRACTOR will comply with all applicable COUNTY policies and procedures. **22.10** CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

**22.11** This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

**22.12** This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.

  - (3) A disclosure of PHI where a covered entity or business associate has a good faith belief that an unauthorized person to whom the disclosure was made would not reasonably have been able to retain such information.
- B. “Data aggregation” has meaning given such term in 45 CFR §164.501.
- C. “Designated record set” as defined in 45 CFR §164.501 means a group of records maintained by or for a covered entity that may include: the medical records and billing records about individuals maintained by or for a covered health care provider; the enrollment, payment, claims adjudication, and case or medical management record systems maintained by or for a health plan; or, used, in whole or in part, by or for the covered entity to make decisions about individuals.
- D. “Electronic protected health information” (“ePHI”) as defined in 45 CFR §160.103 means protected health information transmitted by or maintained in electronic media.
- E. “Electronic health record” means an electronic record of health-related information on an individual that is created, gathered, managed, and consulted by authorized health care clinicians and staff, and shall have the meaning given such term in 42 USC §17921(5).

- (1) **Breaches treated as discovered.** A breach is treated as discovered by Contractor as of the first day on which such breach is known to Contractor or, by exercising reasonable diligence, would have been known to Contractor, which includes any person, other than the person committing the breach, who is an employee, officer, or other agent of Contractor (determined in accordance with the federal common law of agency).

- D. **Delay of notification authorized by law enforcement.** If Contractor delays notification of breach of unsecured PHI pursuant to a law enforcement official's statement that required notification, notice or posting would impede a criminal investigation or cause damage to national security, Contractor shall maintain documentation sufficient to demonstrate its compliance with the requirements of 45 CFR §164.412.
- E. **Payment of costs.** With respect to any breach of unsecured PHI caused solely by the Contractor's failure to comply with one or more of its obligations under this Addendum and/or the provisions of HITECH, HIPAA, the Privacy Rule or the Security Rule, Contractor agrees to pay any and all costs associated with providing all legally required notifications to individuals, media outlets, and the Secretary. This provision shall not be construed to limit or diminish Contractor's obligations to indemnify, defend and hold harmless County under Section 9 of this Addendum.
- F. **Documentation.** Pursuant to 45 CFR §164.414(b), in the event Contractor's use or disclosure of PHI and/or ePHI violates the Privacy Rule, Contractor shall maintain documentation sufficient to demonstrate that all notifications were made by Contractor as required by 45 CFR Part 164, Subpart D, or that such use or disclosure did not constitute a breach.

Contractor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.

- B. With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.
10. **Term.** This Addendum shall commence upon the Effective Date and shall terminate when all PHI and/or ePHI provided by County to Contractor, or created or received by Contractor on behalf of County, is destroyed or returned to County, or, if it is infeasible to return or destroy PHI and/ePHI, protections are extended to such information, in accordance with section 11.B of this Addendum.

11. **Termination.**

- A. **Termination for Breach of Contract.** A breach of any provision of this Addendum by either party shall constitute a material breach of the Underlying Agreement and will provide grounds for terminating this Addendum and the Underlying Agreement with or without an opportunity to cure the breach, notwithstanding any provision in the Underlying Agreement to the contrary. Either party, upon written notice to the other party describing the breach, may take any of the following actions:

**HIPAA BUSINESS ASSOCIATE ADDENDUM**

---

- (1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
- (2) Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.
- (3) If termination of the Underlying Agreement is not feasible, the non-breaching party may report the problem to the Secretary, and upon the non-breaching party's request, the breaching party at its own expense shall implement a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.

**B. Effect of Termination.**

- (1) Upon termination of this Addendum, for any reason, Contractor shall return or destroy all PHI and/or ePHI received from County, or created or received by the Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
- (2) In the event that Contractor determines that returning or destroying the PHI and/or ePHI is not feasible, Contractor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Contractor that return or destruction of PHI and/or ePHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.

**12. General Provisions.**

- A. **Retention Period.** Whenever Contractor is required to document or maintain documentation pursuant to the terms of this Addendum, Contractor shall retain such documentation for 6 years from the date of its creation or as otherwise prescribed by law, whichever is later.
- B. **Amendment.** The parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for County to comply with HITECH, the Privacy Rule, Security Rule, and HIPAA generally.
- C. **Survival.** The obligations of Contractor under Sections 3, 5, 6, 7, 8, 9, 11.B and 12.A of this Addendum shall survive the termination or expiration of this Addendum.

Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.

10. **Term.** This Addendum shall commence upon the Effective Date and shall terminate when all PHI and/or ePHI provided by County to Contractor, or created or received by Contractor on behalf of County, is destroyed or returned to County, or, if it is infeasible to return or destroy PHI and/ePHI, protections are extended to such information, in accordance with section 11.B of this Addendum.
11. **Termination.**

- (3) If termination of the Underlying Agreement is not feasible, the non-breaching party may report the problem to the Secretary, and upon the non-breaching party's request, the breaching party at its own expense shall implement a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.

**B. Effect of Termination.**

- (1) Upon termination of this Addendum, for any reason, Contractor shall return or destroy all PHI and/or ePHI received from County, or created or received by the Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County.
