SUBJECT: Approval for 6-month Extension with General Security Services, Inc.

BACKGROUND:

Inpatient Treatment Facility (ITF) provides treatment of mental illness by a psychiatric doctor and the admitted patients can be voluntary or involuntary. The Emergency Treatment Services (ETS) serves to evaluate incoming patients on an emergency basis for mental illness.

The facility must be a safe, calm, secure, peaceful environment for employees and patients. Buildings and contents should be protected against theft/pilferage/vandalism. In addition, security personnel present a level of visible deterrent to prevent clients from becoming violent, belligerent and unruly.

General Security's current contract agreement ended June 30, 2012, with no additional renewal options remaining. RCRMC is requesting for a six-(6) month extension to the current contract with General Security to continue providing services until the Request for Proposal (RFP) for unarmed security guard services is completed and a new contract is awarded.

Through this RFP, RCRMC will select a contractor to provide this service for ITF/ETS. Although price will be a key factor, the effectiveness of the proposal, the background and experience of the bidder will also be evaluated. To ensure fair competition, RCRMC will advertise the RFP through County Purchasing & Fleet Services Department website and will mail notifications to current and prospective bidders.

PRICE REASONABLENESS:

The original contract was awarded through a competitive bid process and General Security has agreed to hold the existing contract price through the six-month extension.

FINANCIAL IMPACT:

100% Hospital Enterprise Funds
