RECOMMENDATION MOTION: (Continued)

3. Find that the Project, the Communication Site Lease Agreement, is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301 Existing Facilities; and
4. Direct the Clerk of the Board to file Notice of Exemption with the County Clerk.

BACKGROUND:

In November 2000, the County entered into a lease with Cox PCS Assets, LLC, predecessor to Sprint PCS Assets, LLC, which enabled Sprint to construct a communication facility at the County Communications Center on Alessandro Blvd. in Riverside. The existing term expired on November 14, 2010, but Sprint has remained in possession as a holdover tenant at will. The Real Estate Division has negotiated a new lease agreement that will extinguish the prior lease and provide for a new ten year tenancy. No physical changes are contemplated.

Pursuant to the California Environmental Quality Act (CEQA), the Lease was reviewed and determined to be categorically exempt from CEQA under CEQA Guidelines Section 15301 Class 1 – Existing Facilities. The proposed project, a Communication Site Lease Agreement, is the letting of property involving existing facilities and no expansion of an existing use will occur.

Board Policy B-26 requires that the income generated by this lease agreement shall be directed toward public safety, into a fund that is controlled by the Executive Office. RCIT has consented to this extension of the existing tenancy and has reviewed and approved the lease agreement as to form and content.

This COMMUNICATIONS SITE LEASE AGREEMENT ("Agreement") is dated as of September 25, 2012, by and between SPRINT PCS ASSETS, L.L.C., a Delaware limited liability company ("Tenant") and County OF RIVERSIDE, a political subdivision of the State of California ("County" or "Landlord").

1. Premises

County owns a parcel of land ("Land") located in the City of Riverside, County of Riverside, and State of California, commonly known as 7195 Alessandro Boulevard, identified as Assessor Parcel Number 268-020-019. Subject to the provisions of Paragraph 2 below County hereby leases to Tenant and Tenant leases from County approximately 400 square feet of the Land for cabinets, one flag pole, one light pole and wireless radio equipment antennas and cabling and all access and utility easements necessary or desirable to establish connections to and/or between Tenant's equipment heretofore ("Premises"), as may be depicted generally in Exhibit B attached hereto.

2. Effective Date

This Agreement shall be effective on the date of full execution hereof ("Effective Date").

3. Term

The term of Tenant's tenancy hereunder shall commence on June 1, 2012 ("Term Commencement Date") and shall expire at midnight on May 31, 2017 ("Term") unless otherwise terminated as provided herein. Tenant shall have the option to extend the Term for one five year period ("Renewal Term") on the same terms and conditions as set forth herein. Tenant must provide written notification of its election to extend the term of this Agreement no more than 180 days prior to the expiration date and no fewer than 90 days prior to the expiration date.

4. Rent

(a) Within fifteen (15) business days following the Term Commencement Date and on the first day of each month thereafter, Tenant shall pay to County as rent THREE THOUSAND THREE HUNDRED TWENTY TWO and 16/100 Dollars (\$3,322.16) per month ("Rent"). Rent for any fractional month shall be prorated. County's Land in the event of Abandonment of Tenant's Facilities. Abandonment of Tenant's Facilities" shall have the meaning provided in Section 19.411 of Riverside County Ordinance No. 348.

(c) Tenant shall comply and remain in compliance with all conditions as set forth in any Conditions of Approval issued by the planning department of the appropriate jurisdiction.

6. Facilities; Utilities; Access

(a) Tenant has the right to construct, erect, maintain, test, replace, remove, operate and upgrade on the Premises communications facilities, including without limitation a foundation, utility lines, transmission lines, an air conditioned equipment shelter(s), electronic equipment, transmitting and receiving antennas, microwave dishes, antennas and equipment, a power generator, generator pad, and supporting equipment and structures therefore ("Tenant Facilities"). In connection therewith, Tenant has the right to do all work necessary to prepare, maintain and alter the Premises for Tenant's business operations and to install transmission lines connecting the antennas to the transmitters and receivers. All of Tenant's construction and installation work shall be performed at Tenant's sole cost and expense and in a good and workmanlike manner. Tenant shall hold title to the Tenant Facilities and all of the Tenant Facilities shall remain Tenant's personal property and are not fixtures. Tenant has the right to remove the Tenant Facilities at its sole expense on or before the expiration or earlier termination of this Agreement, and Tenant shall repair any damage to the Premises caused by such removal. Upon the expiration or earlier termination of this Agreement, Tenant shall remove the Tenant Facilities from the Land, but shall not be required to remove any foundation more than one (1) foot below grade level.

(b) County shall provide access to Tenant, Tenant's employees, agents, contractors and subcontractors to the leased premises twenty four (24) hours a day, seven (7) days a week. Tenant shall have ingress and egress to and from said facilities over such routes and in strict accordance with procedures established by Riverside County Information Technology as outlined in "Exhibit C", attached hereto and made a part of this Agreement. County represents and warrants that it has full rights of ingress and egress from a public right-of-way to and from the Premises, and hereby grants such rights to Tenant to the extent required to construct, maintain, install and operate Tenant's Facilities on the Premises, and to remove them there from. Tenant's exercise of such rights shall not cause undue inconvenience to County.

7. Interference

(a) Tenant shall operate the Tenant Facilities in compliance with all Federal Communications Commission ("FCC") requirements including those prohibiting interference to communications facilities of County or other tenants or licensees of the Land, provided that the installation and operation of any such facilities predate the installation of the Tenant Facilities. Tenant acknowledges that County operates the County Communication Center and Tenant agrees that the operation of the Tenant Facilities shall not interfere with County's equipment customarily used in its operations. In the event interference occurs, Tenant agrees to use best efforts to eliminate such interference in a reasonable time period, provided that such Communication Center Equipment does not physically or electronically obstruct the Tenant Facilities. In the event the Tenant Facilities interfere with the Communication Center Equipment, Tenant shall cure such interference as soon as reasonably practicable under the circumstances, but in no event more than twenty-four (24) hours from receipt of notice, or Tenant shall cease operating the interfering equipment, except for intermittent periods of testing to determine whether the interference has been resolved. Tenant's failure to comply with this paragraph shall be a material breach of this Agreement.

(b) Subsequent to the installation of the Tenant Facilities, County will not, and will not permit its tenants or licensees to, cause interference with Tenant's operations. In the event interference occurs, County

agrees to use best efforts to eliminate such interference in a reasonable time period. County's Communication Equipment shall be exempt from the interference obligations of this subsection, provided that the conditions set forth in Paragraph 7(a) are met, and in the event the Communication Equipment creates such interference, Tenant's sole remedy shall be to terminate this Agreement.

8. Obstructions During Maintenance / Operation

Tenant will not use, nor will Tenant permit its employees, subtenants, licensees, invitees or agents to use, any portion of the Land in any way, which interferes with the County Sheriff or Riverside County Information Technology Department facility in its duty to provide service and public safety to the community. In the event of an emergency and at the direction of County, Tenant agrees to remove any and all equipment that interferes with the existing County departments to do their duty. Notwithstanding anything to the contrary this includes all city, County, state and federal public safety agencies and their respective facilities.

9. Taxes

If personal property taxes are assessed, Tenant shall pay any portion of such taxes directly attributable to the Tenant Facilities. Tenant acknowledges that this Agreement may create a possessory interest that will subject to property taxation, and further agrees to pay any such obligation. The Land is, and shall remain, tax exempt so long as County of Riverside remains the owner of the Land.

10. Waiver of Landlord's Lien

(a) County waives any lien rights it may have concerning the Tenant Facilities, all of which are deemed Tenant's personal property and not fixtures, and Tenant has the right to remove the same at any time without County's consent.

(b) County acknowledges that Tenant has entered into a financing arrangement including promissory notes and financial and security agreements for the financing of the Tenant Facilities ("**Collateral**") with a third party financing entity (and may in the future enter into additional financing arrangements with other financing entities). In connection therewith, County (i) consents to the installation of the Collateral; (ii) disclaims any interest in the Collateral, as fixtures or otherwise; and (iii) agrees that the Collateral shall be exempt from execution, foreclosure, sale, levy, attachment, or distress for any Rent due or to become due and that such Collateral may be removed at any time without recourse to legal proceedings.

11. Termination

This Agreement may be terminated without further liability on thirty (30) days prior written notice as follows: (i) by either party upon a default of any covenant or term hereof by the other party, which default is not cured within sixty (60) days of receipt of written notice of default, except that this Agreement shall not be terminated if the default cannot reasonably be cured within such sixty (60) day period and the defaulting party has commenced to cure the default within such sixty (60) day period and diligently pursues the cure to completion; provided that the grace period for any monetary default is ten (10) days from receipt of written notice; or (ii) by Tenant if it does not obtain or maintain any license, permit or other approval necessary for the construction and operation of the Tenant Facilities; or (iii) by Tenant if Tenant is unable to occupy and utilize the Premises due to an action of the FCC, including without limitation, a take back of channels or change in frequencies; or (iv) by Tenant if any environmental report for the Premises reveals the presence of any Hazardous Material after the Term Commencement Date; or (v) by Tenant if Tenant determines that the Premises are not appropriate for its operations for or technological reasons, including, without limitation, signal interference; or (vi) by Tenant if the County fails to deliver to Tenant an executed memorandum of agreement

pursuant to Paragraph 20(g) below, or (vii) for economic reasons, provided Tenant pays an early termination fee to County equivalent to twenty percent (20%) of the remaining lease payments from the termination date to the expiration date, or (viii) by County at any time after January 1, 2019, provided County gives Tenant eighteen (18) months advance written notice of its election to do so.

12. Destruction or Condemnation

If the Premises or Tenant Facilities are damaged, destroyed, condemned or transferred in lieu of condemnation, Tenant may elect to terminate this Agreement as of the date of the damage, destruction, condemnation or transfer in lieu of condemnation by giving notice to County no more than forty-five (45) days following the date of such damage, destruction, condemnation or transfer in lieu of condemnation. If Tenant chooses not to terminate this Agreement, Rent shall be reduced or abated in proportion to the actual reduction or abatement of use of the Premises.

13. Insurance

Without limiting or diminishing the Tenant's obligation to indemnify or hold the County harmless, Tenant shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage's during the term of this Agreement.

(A.) Workers' Compensation: If the Tenant has employees as defined by the State of California, the Tenant shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy's limit of liability shall not be less than One Million Dollars (\$1,000,000) per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.

Policy shall name the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

(D.) General Insurance Provisions - All lines:

1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A-: VII (A-:7) unless such requirements are

waived, in writing, by the County Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) The Tenant's insurance carrier(s) must declare its insurance self-insured retentions. If such self-insured retentions exceed Five Hundred Thousand Dollars (\$500,000) per occurrence such retentions shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self insured retention unacceptable to the County, and at the election of the Country's Risk Manager, Tenant's carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the County, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) Tenant shall cause Tenant's insurance carrier(s) to furnish the County of Riverside with a properly executed original Certificate(s) of Insurance, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the County of Riverside prior to any cancellation of such insurance. In the event of a cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance evidencing coverage's set forth herein and the insurance required herein is in full force and effect. Tenant shall not commence operations until the County has been furnished original Certificate (s) of Insurance as required in this Section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the parties hereto that the Tenant's insurance shall be construed as primary insurance, and the County's insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.); or, the term of this Agreement, including any extensions thereof, exceeds five (5) years the County reserves the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverage's currently required herein, if, in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the Tenant has become inadequate.

6) Tenant shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the County.

8) Tenant agrees to notify County of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

14. Liability and Indemnity

(a) Tenant shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services or use of Tenant, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever arising from the performance of Tenant, its officers, agents, employees, subcontractors, agents or representatives from this Agreement. Tenant shall defend, at its sole expense, all costs and fees including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards, the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives in any claim or action based upon such alleged acts or omissions.

(b) With respect to any action or claim subject to indemnification herein by Tenant, Tenant shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Tenant's indemnification to County as set forth herein.

(c) Tenant's obligation hereunder shall be satisfied when Tenant has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

(d) The specified insurance limits required in this Agreement shall in no way limit or circumscribe Tenant's obligations to indemnify and hold harmless the County herein from third party claims.

(e) In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Tenant from indemnifying the County to the fullest extent allowed by law.

(f) The duties described in this Paragraph 14 shall apply as of the Effective Date of this Agreement and survive the termination of this Agreement.

15. Assignment and Subletting

Tenant will not assign or transfer this Agreement or sublet all or any portion of the Site without the prior written consent of Owner, which consent will not be unreasonably withheld, conditioned or delayed; provided, however, that Tenant will have the right, without notice to or consent of Owner, to sublease (or otherwise transfer or allow the use of) all or any portion of the Site or assign its rights under this Agreement in whole or in part to: (i) any entity controlling, controlled by or under common control with Tenant; (ii) any entity acquiring substantially all of the assets of Tenant; (iii) any entity that is authorized to sell telecommunications products or services under the "Sprint" or "Sprint PCS" or "Nextel" brand name or any successor brand name(s) or other brand name(s) used or licensed by Tenant's parent corporation ("Contract Affiliate"); or (iv) any successor entity in a merger or consolidation involving Tenant. Owner will not be entitled to any additional rent or other fees for its review or approval.

16. Warranty of Title and Quiet Enjoyment

County warrants that: (i) County owns the Land in fee simple, has rights of access thereto from the nearest public roadway, which Tenant is legally permitted to use, and the Land and access rights are free and

clear of all liens, encumbrances and restrictions except those of record as of the Effective Date; and (ii) County covenants and agrees with Tenant that Tenant may peacefully and quietly enjoy the Premises and such access thereto,

17. Maintenance; Repairs; Right to Enter

(a) Tenant acknowledges that Tenant has made a thorough inspection of the Premises prior to the Term Commencement Date of this Agreement, and that it accepts the Premises as of the Term Commencement Date in their condition at that time. Tenant further acknowledges that County has made no oral or written representations or warranties to Tenant regarding the condition of the Premises, and that Tenant is relying solely on its inspection of the Premises with respect thereto.

(b) Tenant shall at all times from and after the Term Commencement Date, at its own cost and expense, maintain its Premises and all of its equipment and improvements in clean and good condition and in safe operating order pursuant to Paragraph 8 above. All surfaces that are painted by Tenant shall be maintained so as to preserve the original appearance. Upon surrender of the Premises, Tenant shall deliver the Premises to County in good order, condition and state of repair, but shall not be responsible for damages resulting from ordinary wear and tear.

(c) If Tenant refuses or neglects to repair, replace, or maintain the Premises, or any part thereof, in a manner reasonably satisfactory to County, County shall have the right, upon giving Tenant reasonable written notice of its election to do so, to make such repairs or perform such maintenance or maintenance on behalf of and for the account of Tenant. If County makes or causes any such repairs to be made or performed, as provided for herein, Tenant shall pay the cost thereof to County, as additional rent, promptly upon receipt of an invoice therefore.

(d) Tenant shall permit County, or its authorized representatives, to enter the Premises at all times during usual business hours to inspect the same, and to perform any work therein (a) that may be necessary to comply with any laws, ordinances, rules or regulations of any public authority, (b) that County may deem necessary to prevent waste or deterioration in connection with the Premises if Tenant does not make, or cause to be made, such repairs or perform, or cause to be performed, such work promptly after receipt of written demand from County, and (c) that County may deem necessary in connection with the expansion, reduction, remodeling, protection or renovation of any County-constructed or owned facilities on or off of the Premises. Nothing herein contained shall imply any duty on the part of County to do any such work, which, under any provision of this Agreement, Tenant may be required to do, nor shall County's performance of any repairs on behalf of Tenant constitute a waiver of Tenant's default in failing to do the same. No exercise by County of any rights herein reserved shall entitle Tenant to any compensation, damages or abatement of rent from County for any injury or inconvenience occasioned thereby. If County's remodeling or renovation of the County-owned facilities on which the Premises are located County shall coordinate with Tenant any work that necessitate disturbing Tenant's equipment building or other Tenant's facilities, prior to commencing work.

18. Hazardous Material

(a) As of the Effective Date of this Agreement: (1) Tenant hereby represents and warrants that it shall not use, generate, handle, store or dispose of any Hazardous Material in, on, under, upon or affecting the Land in violation of any Environmental Law (as defined below), and (2) County hereby represents and warrants that (i) it has no actual knowledge of the presence of any Hazardous Material located in, on, under, upon or affecting the Premises in violation of any Environmental Law; (ii) no notice has been received by or on behalf of County from, and County has no knowledge that notice has been given to any predecessor owner or operator of the Premises by, any governmental entity or any person or entity claiming any violation of, or

requiring compliance with any Environmental Law for any environmental damage (or the presence of any Hazardous Material) in, on, under, upon or affecting the Premises; and (iii) it will not permit itself or any third party to use, generate, handle, store or dispose of any Hazardous Material in, on, under, upon, or affecting the Premises in violation of any Environmental Law.

(b) County and Tenant shall each indemnify, defend and hold the other harmless from and against all Losses (specifically including, without limitation, attorneys', engineers', consultants' and experts' fees, costs and expenses) arising from (i) any breach of any representation or warranty made in this Paragraph 18 by such party; and/or (ii) environmental conditions or noncompliance with any Environmental Law (as defined below) that result, in the case of Tenant, from operations in or about the Land by Tenant or Tenant's agents, employees or contractors, and in the case of County, from the ownership or control of, or operations in or about, the Land by County or County's predecessors in interest, and their respective agents, employees, contractors, tenants, guests or other parties. The provisions of this Paragraph 18 shall apply as of the Effective Date of this Agreement and survive termination of this Agreement.

(c) "Hazardous Material" means any solid, gaseous or liquid wastes (including hazardous wastes), regulated substances, pollutants or contaminants or terms of similar import, as such terms are defined in any Environmental Law, and shall include, without limitation, any petroleum or petroleum products or by-products, flammable explosives, radioactive materials, asbestos in any form, polychlorinated biphenyls and any other substance or material which constitutes a threat to health, safety, property or the environment or which has been or is in the future determined by any governmental entity to be prohibited, limited or regulated by any Environmental Law.
