**RIVERSIDE COUNTY REGIONAL MEDICAL CENTER
PRIVILEGE DELINEATION DESCRIPTION AND STANDARDS**

NAME: _____

PRACTICE SPECIALTY: FAMILY MEDICINE

In addition, if requesting Progressive Care Unit (Step-Down Unit) privileges, must meet the attached guidelines as noted on the Memorandum of Understanding between Family Medicine and Medicine Departments. For Medicine Adult Inpatient privileges must meet the attached guidelines as noted on the Memorandum of Understanding.

CHILD ABUSE AND NEGLECT PRIVILEGES

In order to be eligible for Child Abuse and Neglect privileges, the applicant must:

- have successfully completed an Accreditation Council for Graduate Medical Education (ACGME) or American Osteopathic Association (AOA) accredited postgraduate training program in pediatrics or family medicine with additional training/experience in child abuse as determined by the chair of pediatrics/designee
- AND**
- have current certification or active participation in the examination process leading to subspecialty certification in child abuse pediatrics by the American Board of Pediatrics, unless initial privileges granted prior to November 2009 (Board subspecialty certification first issued in November 2009)

- AND**
- must be in process of paneling or paneled by California Children's Services (CCS)

FAMILY MEDICINE RESIDENTS IN TRAINING

To be eligible for apply for core privileges in family medicine, the initial applicant must meet the following criteria:

- meet all requirements for medical staff membership
- AND**
- must have successfully completed two out of three years of an accredited family medicine residency program approved by the Accreditation Council on Graduate Education (ACGME) or the American Osteopathic Association (AOA)

- AND**
- must possess a valid, current California State Medical License

- AND**
- a letter from the resident's current family medicine program director must be submitted approving the clinical privileges which are being requested

A family medicine resident in training may be granted ambulatory care privileges only.

Privileges may only be exercised at the site(s) and/or setting(s) that have the appropriate equipment, license beds, staff, and other support required to provide the services defined in this document.

GENERAL PROCTORING

See privilege delineation form for specific proctoring requirements.
