BACKGROUND:

The Superior Court of California is hosting an educational summit to prevent domestic violence.

The Coachella Valley Rescue Mission provides food, shelter, food and counseling for individuals who are homeless.

The County of Riverside/Mecca Family & Farmworker Center will be hosting a Community Resources Fair to provide information and fun activities to families.

The Rec-N-Crew Foundation will be hosting events throughout the year to benefit recreational programs in the Blythe communities.

The Unforgettables Foundation assists families at risk who are struggling to pay for a proper burial for their child.

The Million Kids Program is working to bring attention to the serious problem of human trafficking throughout the Fourth District. A network of law enforcement and first responders trained to recognize and rescue victims of trafficking and create a legal case to prosecute traffickers at every opportunity.

I would like to use Fourth District Community Improvement Designation funds to assist to these worthy non-profit organizations in meeting the needs of our communities.
